

Creeping Gas War Erupts In Central County Again!

A creeping gas war started again in Central Contra Costa and began to take its toll as service stations from Pleasant Hill to Orinda started dropping their prices.

Early yesterday the price of regular gas at a "cut rate" station was 29.9 cents per gallon of "regular" gasoline.

THE PRICE of "premium" gas sank to 33.9 cents per gallon. Normal prices have been 34 cents or more for the regular gasoline and up to 36 cents for premium gasoline.

Standard Oil Company, which markets three types of gas, had its top grade of fuel up to 40 cents per gallon, but their other

two types were in line with other oil companies.

"These gas wars never end. They just smolder for a while and pop out worse than ever," said a Signal Gasoline dealer in Pleasant Hill.

His price was 30.9 cents for regular gasoline. It had been 32.9 cents for regular gasoline.

IN WALNUT CREEK both Shell and Mobil Gasoline Stations had cut their prices by yesterday and an Associated dealer said he would "drastically cut" his prices if he can get company support.

Meanwhile, Wilshire and Regal stations remained two or three cents below the major oil company prices. There were only

four stations in Lafayette, two of them Union Oil Company outlets, who had not reduced prices by yesterday.

"There just doesn't seem to be a reason for these things, but when the station across the street lowers prices, then we lower them, otherwise we lose our business," said an operator for Shell.

Meanwhile a Signal Gas station attendant in Lafayette said a Shell station started the fuming gas war again.

A Walnut Creek Shell dealer commented the gas war had never ended in Lafayette. Prices there, he noted, have been from one cent to one-half cent lower than elsewhere in the area ever

since the last gas war some six months ago.

PRICES IN THE last war dropped as low as 18.9 cents per gallon of regular and premium gasoline went down to 25 cents per gallon.

"If that happens again," said a Pleasant Hill Chevron service station attendant, "we might as

well go back to driving trucks or something for a living.

"Let's face it—we'll go flat broke!"

Commuters and motorists looked at the gas war from a money saving standpoint and one Orinda resident said:

"I'm all for gas wars. I love 'em."

Unification Group to Broaden Study Scope

Acalanes Board Sparks Action; Meetings Set Up

In a meeting marked by harmony, the County Committee on School District Reorganization voted Wednesday night to broaden its scope of unification study and set up a new plan for scheduled meetings and reports. The meeting was held in Acalanes High School.

The action was taken on a motion by William Freeman, trustee of the Acalanes High School board.

The Acalanes board submitted a letter signed by William Lee, board chairman, outlining a proposal to come to a "clean cut" decision concerning the entire question of unification.

SPECIFICALLY, the county committee agreed to:

1. Weigh the pros and cons of "total unification" and/or "segmented or vertical unification."
2. Establish a schedule of meetings to "accelerate" unification studies, with written notices mailed in advance to interested parties.
3. Set up a "target date" for a "clean cut" final vote by the committee on the entire question of unification.

THE MEETING was in sharp contrast to an April 1 session of the group which was marked by confusion over the whole issue, according to observers.

The committee decided on an established meeting date of the first Wednesday of each month except during the summer vacation.

The next meeting will be held on June 3. There will be no other meetings until September 2. All meetings will be held at the high school.

Freeman said his board hoped that the December meeting "will bring conclusive findings." He added that his group "also hopes that at the January, 1960 meeting we will see a firm decision" on the matter.

IN THE LETTER to the committee, Lee praised the group's work "for your considerable efforts concerning the matter of unification."

Lee said his board "wants you to know that we recognize the time and sacrifices required."

The board's official viewpoint is that "segmented or vertical unification represents no tangible advantages to our community and does not warrant further consideration," Lee's letter said.

"The history of unification shows no savings in taxes," Lee wrote. "Our 'un-unified costs' per pupil are less than the average of the three 'unified districts' in the county."

OTHER HIGHLIGHTS of the letter:

"There would still be a multiplicity of districts. More importantly, Acalanes High School District, at present rated as one of California's finest, would be fragmented into portions of three independent districts."

"High schools and sites are already located in relation to present and anticipated population distribution, not according to existing elementary school boundaries."

"IT IS OUR further opinion that although total unification may offer some theoretical advantages to our community, these theoretical advantages are not at this time sufficient to justify reorganization of existing districts."

"Again authorities involved in the current study state there are no financial savings, and figures show that total costs per pupil for the existing un-unified districts are less than average unified district costs in the county."

In some areas, where one district may have an excellent tax base in comparison with its neighbors, unification may provide a leveling of tax wealth for affected districts.

"However, this would not be significant in this area since it is primarily all residential in character and no one district would provide a significant tax base improvement for the whole."

"Under the present structure there has developed between the elementary and high school districts in this area a high degree of co-ordination in general educational policies, curriculum, and transportation."

"WE STRONGLY believe this area is blessed with one of the finest educational systems in the state, kindergarten through high school, and hesitate to risk these positive advantages for a complete shakeup through unification."

"We urge that further improvement be sought first through continued close cooperation and co-ordination among the districts, as has been so successful in the past."

"We suggest that, with an open mind, total unification be exam-

ined periodically and that we, and our successors, remain alert for any future logical opportunity to apply any advantages it may bring to our community."

"We would like to suggest a definite program to your committee in order that:

"The specific goals of your study.

"The specific dates of your preparatory meetings.

"The final target date, the specific decisions which the boards will be required to make at that time, and the exact mechanics of procedure with regard to such matters as voting rights, (one vote per board versus one per member), etc."

"Therefore, we suggest that your committee act upon the motion to continue this study of unification in all its aspects with these specific purposes:

"Apply your premise of feasibility to the Acalanes District in the following two alternatives:

"Total unification.

"Segmented or vertical unification, (as specifically detailed by Bert Scarborough)."

"Determine the valid, detailed, applicable advantages and disadvantages of each of the above two types of unification to the Acalanes District, as compared with our present system, with these fundamental assumptions in mind:

"There already exists in the area under study elementary and high school systems which are commonly viewed as outstanding."

"There has existed historically a high degree of rapport and co-operation between all levels of the various elementary and high school districts."

"The result has been a very desirable continuity of the educational program from the elementary districts on through the high school district."

"Unification, under any guise, does not offer our district any financial saving."

"We are not assured that unification will be less expensive; it is not inconceivable that it could cost more than our present systems."

"Establish a schedule of meetings for the forthcoming six months or more and inform all the boards so that sufficient representation can be made."

"Establish definite target dates for:

"A meeting to review the findings and to announce the specific committee recommendation."

"This meeting to be for the specific purpose of outlining questions on which boards vote or votes will be required."

"A subsequent meeting, 30 days later at most, at which time each board will be required to vote on the previously determined questions."

Dr. Jack Shahbazian, committee chairman, presided at the meeting.

Attending were representatives of Orinda, Lafayette, Walnut Creek, Moraga and Canyon school districts in addition to those from Acalanes.

Wood Elected to Blue Cross Post

George U. Wood of Orinda has been named first vice president of the Blue Cross health insurance plan in northern California.

Get Fire Permit Now; Open Burn Deadline June 1

The dead-line for open burning for this summer has been set for June 1.

The Orinda Fire Department urges the people within the fire district who have as yet not disposed of their prunings or other combustible garden materials to call the fire house for a burning permit.

Requests for permits should be made three days in advance.

School Board Candidates to Speak at Meet

A candidates meeting will be held in the all-purpose room of the Gloriaetta school in Orinda Saturday, May 9, at 8 p.m.

Residents of the area may hear and question candidates for Orinda Union School District Board and Acalanes High School Board.

Rudolph O. Monosmith, head of the California State 4-H Clubs, will be moderator.

The meeting is being sponsored by the American Association of University Women, Orinda Branch and by the Concord-Diablo Valley League of Women Voters.

Mrs. Reith A. Harrington Jr., chairman of the education section of the AAUW and Mrs. Andrew Hartanov, voters service chairman for the League, are arranging the details of the meeting.

Orinda's Joe Long To Build Super Motel in 'Frisco'

J. M. Long of Orinda will be one of the principal owners of a new \$3 million motor hotel in San Francisco.

Plans call for a luxurious garden-type, 400-room hotel at Eighth and Market streets on the site of the Crystal Palace Market.

THE OTHER OWNER will be Del E. Webb of Phoenix. Long is owner of the site near the city center, and operates a chain of drug stores in California and Hawaii.

Long, a native of Covelo, got his start clerking in his father's general store while attending high school. Today his self-service Longs Drug Stores operate in California cities from the Bay Area to the Mexican border, and as far distant as Honolulu.

His office furniture stores, operated by James Hill and Co., Inc., are located in San Francisco, Oakland and Palo Alto. And his Crystal Palace Market, largest in Northern California, not only is a San Francisco institution but has won widespread recognition because of the variety of merchandise brought from around the world.

Upon graduation from University of California, Long worked for a time for the City of Berkeley, but soon decided merchandising was to be his forte.

Clerking in a grocery store, he made a close study of ways to improve operation of the business and better serve the public. What he learned he soon was ready to put into practice, but instead of in a grocery market it was in his first self-service drug store opened in 1937 on Piedmont Avenue in Oakland.

TODAY LONG'S chain includes fifteen stores from the Bay Area to National City, south of San Diego, and in Honolulu. He also is a director and on the executive committee of Safeway Stores.

It was in 1944 that he purchased the four-acre, block-deep property at Eighth and Market and began long-range plans to develop the site as San Francisco continued to grow.

Today he is firm in his belief that the modern new motor hotel planned there so handy to the Civic Center with its city and federal buildings and huge convention facilities—will be a distinct contribution to the upbuilding of that part of downtown San Francisco.

Always interested in civic affairs and municipal government, Long at one time served as assistant to the city manager in Berkeley. His hobbies are golf and hunting, and he is a member of the Claremont Country Club and the Wild Goose Duck Club.

The Longs, have two daughters and two sons.

Unusual Student Work Plan Set Up

Program Designed to Aid Youngsters' Career Aims

By JACK SEYMOUR

A unique summer work education program will be offered 40 selected Miramonte High School students this summer.

Directed by a Citizens' Advisory Committee, the 40 students will work in business, professional or industrial establishments without pay.

Purpose of the program is to help students choose his career field before graduating from high school.

Mrs. Betty Chilton of Orinda is director of the program. She is a graduate student in counseling and guidance at the University of California.

ORINDA ROTARY Club is supporting the unusual plan.

"Suburbia offers so many advantages that we are often legerdemain in presenting to our young people a truly realistic view of the work-a-day world," Mrs. Chilton said.

"Yet out of a community like Orinda come many of the professional men and women of tomorrow," she noted.

"TOO OFTEN a youngster thinks he wants to be a doctor, lawyer or engineer. This takes years of training at great expense. We have seen where, after this intensive training, young men and women find themselves unhappy in the working world."

"Exploratory work education—the name of our summer work education program—will be set up by community leaders to help avoid this 'dead end street' kind of situation."

Mrs. Chilton explained that the selected students will "work under trained supervision in business, professional and industrial establishments without pay for the purpose of determining their suitability for the occupations they explore."

"The work world becomes their laboratory," she said.

Under the program, any student who will enter the sophomore, junior or senior class at Miramonte High in the fall may apply.

THE 40 WILL be selected on the basis of interviews, aptitude and interest in a particular field.

Parents must approve students' participation.

Students will report to their places of work every morning from 9 until 12 for the five weeks paralleling the Orinda summer school program.

A "contract" of experience to be gained must be signed by the students' parents and employer, Mrs. Chilton explained.

Weekly supervision will be made to be sure the students are not exploited by employers. They are not to replace a paid employee.

"We ask the students to keep a 'work diary,'" Mrs. Chilton said. "At the conclusion of the program they will be asked to evaluate their experiences."

EMPLOYERS will also be asked to evaluate the program.

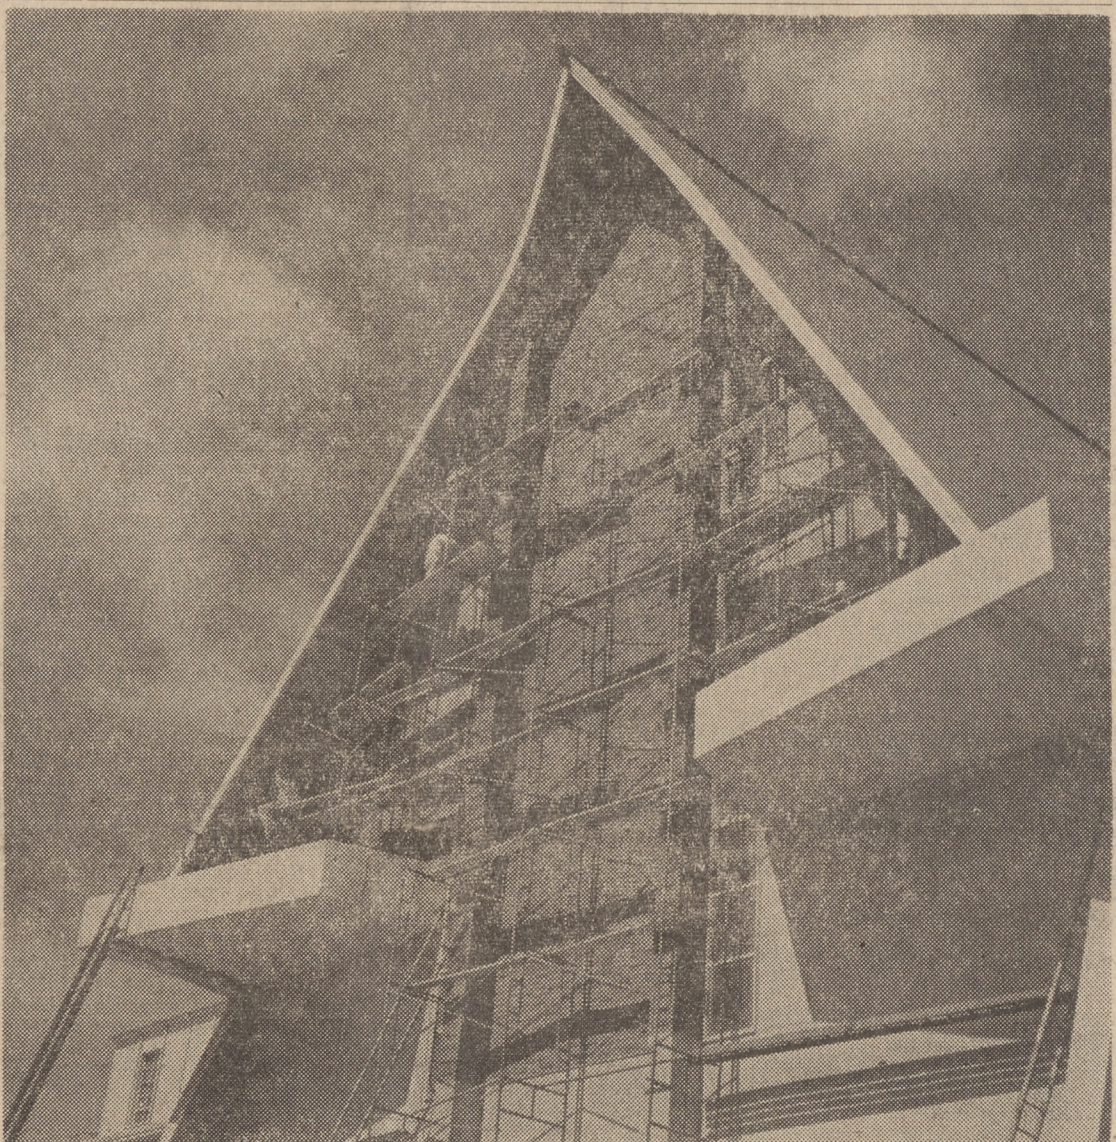

"Citations of merit" will be awarded outstanding students.

The Citizens' Advisory Committee will be made up of representatives of Miramonte, employment bureaus, professions, business, churches, parents clubs and service organizations, Mrs. Chilton said.

Progress reports will be made by the committee from time to time during the summer.

MRS. CHILTON said "it is hoped the program will help provide a constructive outlet for energy and in doing so prevent juvenile delinquency."

"Through this plan we feel we will establish a finer youth-community relationship," she concluded.

PAINTERS WORK on finishing touches of the new, unique Orinda Community Church (Congregational), 10 Irwin Way. Dedication of the \$350,000 structure will take place in June. The church has attracted many visitors as it dominates the Orinda Village area. Designed by Jack Hermann of the firm of White, Hermann and Steinau, San Francisco, contemporary lines of the edifice are of interest to architects, students, artists and photographers. This study by Sun Photographer Rod Lomas was made with a Mamiya C-2 at 1/100 at f. 22, using a K-2 filter.

Unique Community Church To be Dedicated in June

The Orinda Community Church, designed by Jack Hermann of the architectural firm of White, Hermann and Steinau of San Francisco, and constructed at a cost of \$346,000, will be dedicated in June. The unique contemporary design has attracted much interest.

THE SANCTUARY will seat 420 people in the pews and choir loft but the capacity can be extended to provide seating for nearly 600 people.

The stained glass windows of the church are reminders of the Christian doctrine of the Trinity. The first window is dedicated to "God The Father," the second to "God The Son," and the third to "God The Holy Spirit."

The windows were designed by the Wallis-Wiley Studios of Pasadena.

THE ORGAN was designed by the Pacific Organ Builders of Berkeley and was built in Germany. It is a two-manual organ of 18 ranks, with a total of 1070 pipes.

The pews and furnishings are being done by Walter Jacobi of Belmont.

The church has received many gifts and memorials for the major items within the new sanctuary.

The main floor of the Congregational church provides for a sacristy in which the Altar Guild will be able to provide for the necessary care of the altar. There is also a robing room for the minister.

The large narthex of the church is equipped with a coat room and a storage room.

THE GROUND floor of the church provides service facilities and a large choir room and robing room for the choir, a kitchenette and several classrooms.

There is a total of 2500 square feet available for classroom facilities and storage space.

The church purchased, in exchange from the Orinda Association, five and one-half additional acres, and has converted the acreage into a parking area which will provide parking for 300 cars.

The landscape architect was Ed Williams of Eckbo, Dean & Williams of San Francisco.

This is a part of the total master plan which was prepared by

College District Faces Bonding For Construction

The Contra Costa Junior College District may ask for a bond proposal to keep up with rising costs, greater enrollments and teacher salaries.

The district's board of directors instructed Dr. Edmund McCann, district superintendent, Monday to budget for teacher salaries and other costs before setting any money aside for building construction.

IT WAS proposed by district's board of directors that the pay-as-you-go policy for construction in the district be abandoned in light of other pressing financial needs.

Director Edgar Dale said: "The only way you can justify pay-as-you-go is if you have enough tax money left over to provide new buildings."

The district has had a policy of reserving one third of its income to the building program. Last year the district used \$1.2 million for construction of facilities at the district's two campuses.

The discussion was touched off after board members received favorably recommendations by two teacher groups for a pay raise for the district's 100 faculty members.

The teachers received no raise at last year, and the board was told that as a result the district has dropped below the pay scales offered by many unified school districts and some high schools, even elementary schools.

STERLYN STEELE, representing the American Federation of Teachers, said the district had fallen from 15th to 33rd among 54 junior college districts in the state, from standpoint of salaries.

Steele recommended that the present scale, from \$4,790 to \$8,380, be increased to \$5,000 to \$11,500 in 10 annual steps for service and four classifications for amount of educational background.

He proposed that the \$11,500 top be reached in 1964-65. Next year the top salary, earned by three faculty members, would be \$9,000.

Public Hearings for Contra Costa Exclusion for Transit Unit Slated

A public hearing will be held by the Alameda-Contra Costa Transit District May 25 on a proposal to exclude most of Contra Costa County from the operational area of the district.

District directors voted Tuesday to establish a special service zone that would include only El Cerrito and Kensington in Contra Costa County, but all of Alameda County that is within the district except a 22 square mile area of agricultural land in the vicinity of Upper San Leandro Reservoir northeast of Castro Valley.

PURPOSE of the special zone is to exclude areas where voters opposed the district's \$16,900,000 bond issue last November. In Contra Costa County only 43 per cent favored the measure, while in Alameda County it was supported by about 62 per cent of the voters.

As a result of the election, the district obtained legislation in Sacramento that can allow it to exclude Central Contra Costa County from voting on a future bond issue. Once the district is in operation, service could be extended to other parts of the district as the public desired.

"Establishing this special service zone is necessary in order to fix our operational boundaries and proceed immediately with the planning for our next bond measure," Robert K. Barber, president, told the board.

The public hearing will be held at 8 p.m. in the supervisors' chambers of the Alameda County Court House in Oakland.

THE DIRECTORS also appropriated \$20,000 to update district engineering plans. The basic transit program, prepared last August by DeLew Cather and Company, will be revised to fit the reduced size of the operations zone.

Suggested changes in the plan now being considered by more than 100 East Bay city councils, chambers of commerce and other organizations also will be taken into account in the revised plan.

In a separate action, the committee on program planning reported it was opposed to any large-scale district financing that would prevent the people from voting on the district's ultimate plan.

THE COMMITTEE, headed by Paul Deadrich of Hayward, is considering a proposal by Director J. Howard Arnold of Alameda County that the district commence a trolley-coach operation by means of lease purchase rather than a bond issue.

Objection to any type of financing other than a bond issue was voiced by the people came from Directors William J. Bettencourt of San Leandro, William H. Coburn of Berkeley, Barber and Deadrich.

Arnold contended that the public is anxious for the district to get into operation immediately, and that operation should not be delayed until another bond measure could be presented to the voters.

Deadrich said a report by his committee on the economic feasibility or desirability of operating electric trolley buses in addition to diesel buses will be presented at the June board meeting.

Angles & Arrows

WHEN Orinda Art Center members & guests mustered mid-morning for a pre-lunch talk by Charles Lindstrom, curator of deYoung Museum, they didn't realize what a titillating time they were in for.

For the speaker's subject—covering the career of Bosons & Beards, the ways & whereabouts of the change of fashions down through the ages, was indeed a provocative subject.

When it came to Modern Man, Lindstrom humorously described him as all "Angles & Arrows." He used a chalk & blackboard & by drawing a basic simple portrait of a Man & Woman, he proved his point.

MAN—The Arrow, Woman—The Target . . . "From his jutting jaw to his pointed lapels," he's all angles & arrows—the shirt tabs, the four in hand, part of the angular uniform he dons daily to fight his way through the economic jungle to wrest a titillating time they were in for.

My, how Milady chortled over that one, everyone, it seemed, thinking of her own good hubby.

FURTHER, he said, MAN is singularly blessed if he has a cleft chin, a window's peak. If his business is selling Cadillac or some such lofty work, he can add still more arrow to his make-up by tucking a 4-pointed handkerchief into his pocket. The whole picture so simply shows male aggressiveness, the Forward Look. Sound familiar? Like Your Family Man?

Woman, poor wench, is simply the target—all curves & round, the dear thing running in circles!

AT ANY RATE, Everyone enjoyed his unique approach to the age-old subject.

Lunchers In-the-round

Greetings guests . . . Jean Weirick & Cappy Champion at the door . . . ditto Irene Hickox & Jean Henderson, the latter, lavender & ladylike in a smart shirtwaist, purple-cumbeund w/an embroidered treader-toe front.

Luncheon at noon . . . Fran McBane, Elie Clemmons, Virginia Gregg & Mary Furtado a foursome . . . Mary in modish Empire navy silk that concealed the fact she is expecting a third addition soon.

At the Speaker's Table surrounding Mr. Lindstrom & besieging him w/questions on Everything were Gloria Brown, Robin Orr, Eleanor Silverman, Sara Malinowsky . . . Also Helen Jones who introduced the Art Center teachers, Mrs. J. F. Leigh & Mrs. H. C. Olmstead. (Her ski tan enhanced by an orange silk turban).

GLIMPSES over the parafit . . . Jackie Archer & Elise Kersey in a group . . . Muriel Ray in joniell yellow . . . Helen Gibbs, Ethel Eubank, Jackie Weldon, Candy Quinn & Trudy Cook more of those still titting over the humorous talk.

CHILDREN'S ARTWORK on display . . . A Ballerina in shades of green & lavender beautifully done in colored chalk by 9 yr. old Janet Lettwich, dgtr. of Ellen Lettwich who carried the picture home carefully (It will hang in Papa's office, a Prime Position!) . . . Helen Harper, Helen Federighi admiring the young folk's art. Manhattan's concrete caverns & its cabs were captured in vivid poster by Wendy McBane who dedicated it to her Mother. A Highway scene at dawn was depicted by 5th grader Jon Miller & an Indian Girl by Jean Larsen, 2nd grader, was another stand-out.

Helen Jones was telling of the Children's Art Exhibit at the Orinda Library . . . Someone liked one Second Grader's drawing so well they wanted to buy it. They made an offer. The budding young artist? She refused to sell. (You can't blame a MOTHER for wanting to hang on to a possible Picasso, can you?)

Dance With A Dolly . . .

ORINDA NURSERY SCHOOL Dance . . . The Ragtime Band that played after Paul Faria's orch. put their instruments away at 1 A.M. Sunday continued to play until 3—for the crowd that romped at Raggedy Ann's dancing party found an extra hour for fun & frolic by virtue of Daylight Saving Time.

AND it was 3 O'clock In The Morning before the crowd thinned out & straggle home. NOT ALL of them w/the same stamina that Shirley & Calvin Gold & their crowd had. THIS group going home just long enough to change their clothes, then heading for the Gold's Bethel Isle cottage for a full Sunday of waterskiing.

Shirley Gold, by the way, (she was Dance Chairman) chose a pretty lavender & purple voile w/a lace-inset bodice. Another festive frock was the harem-skirted white polished cotton worn by tall blonde Libby Wilson. She & her husband Penn were w/the Paul Goodalls (they entertained early), the Robert Goetztes & joined for dinner by Janice & Chuck Legge.

Roger & Maile Olson had convention guests from Boise, Idaho—the Carl Burkes for which there were many rounds of introductions. . . . The Junior Franklin Moulthrop (she in Shades of Shocking Pink!) were w/the Richard Weyneths.

There were comps by the dozen for Jo Mirov on her decor job—Cutouts of the famous Ragdolls as well as tiny tots artwork "dolloped up" the pillars & posts of the Garden Room. . . . New Man from Manhattan, SUN News Ed. Jack Seymour & date Joan Pike. WILD APPLAUSE greeted the Joseph Phelans as they held high the lucky ticket for the wknd. at Highlands Inn . . . At the Teacher's Table were the Henry Harrieses, Bill & Myrtle-Pattersons, the H. H. Fitzsimmons & Mos. R. H. Laney all having gathered early at the Peter Veitchees who hosted A Toast. Also at this table, the Wendell Spackmans & the Harl Tylers. As per usual, the traditional dance scored another success!

Among those hosting parties prior to the Hill 'n Dale Dance at the Country Club Sat. night were the Jim Seamans, at their home on St. James Ct. Among their guests were the Cec Cantrills, who (like many other Scout parents) were concerned about their boy camping out at Muid Woods. THAT morning, Gen had made the long haul to Marin Co. w/a car full of Scouts & in all that rain, SHE deserves a Merit Badge, too! A First-class Mother, no Tender-foot, she!!

TODAY is the Deadline (at Miramonte's Counseling Office) for student-sign-up in the new exploratory Work Experience Program, THIS, to get underway simultaneous w/with summer-school session, to help to introduce young people to the vocational fields of their choice. Applicants will be screened & selected by Dorette Curtis who is getting her Masters Degree in Psychomaty (the science of Testing). From the enthusiasm already shown, the program here will no doubt be as successful as it has already proved in Berk, SantaBarba, etc.

A Hot Time in the Old Towns.

IT'LL BE A HOT Time in the Two Old Towns on May 9th. Both the Orinda Parents Club & the Happy Valley Parents Club plan special benefit dances right here at Home—Orinda's Barnyard Benefit, to take place in the Orinda Motors Garage & Phair Pks. Lot, a bar in the barn, & two good music groups for dancing. Win Gil-guarantees to cackle, w/roosters in the rafters, pigs in the parlor, more is taking tks. \$3.00 per couple. Let us be emphasized this dance is for ALL ORINDANS. Even Maria guests are coming!

Commute Ticket-Private Bus Plan For School Kids?

A suggestion that the Acalanes High School District "get out of the bus business" and let school children buy commute tickets on private carriers was made Monday night at a meeting of the district board of trustees.

The idea was presented by County Supervisor Mel Nielsen in an informal session attended by Assemblyman Jerry Waldie and former Assemblyman Don Doyle.

THE TRIO had been invited by the board to sit in with trustees to discuss education problems of the district.

"The bus transportation situation is rapidly growing into a monster," Nielsen said.

"The school district is in the bus business and now that this is growing into an almost metropolitan area I suggest commute tickets be sold by private carriers to bring the kids to school."

"PEOPLE MOVE out here from the city where they pay for transporting their children to school and when they get here they want everything free. I can't understand it," he added.

Doyle pointed out that school bus systems have grown "almost as big as the Key System. The district operates 31 school buses."

"Most people don't realize it," he added, "but there is no law requiring schools to furnish bus transportation for the children."

AGREEING that the private carrier-commute ticket idea "is practical," Assemblyman Waldie told Nielsen "it will never be done."

Waldie described the status of Assembly Bill 1000, the new school apportionment bill which now rests with the Ways and Means Committee having been approved by the Education Committee of which Waldie is a member.

Trustees approved a resolution endorsing AB 1000 "as it stands now" and went on record favoring whatever taxation is required at the state level to meet the requirements of the new bill. The bill would provide the district with an estimated \$40,000 increase in state aid.

Waldie and Doyle discussed the general education legislative picture with Doyle interjecting background information on many bills which have developed a history over the past several years during his tour of office.

In reviewing district financial problems Superintendent Neil Parsons reported, "a trend in which our enrollment is increasing at about double the rate of increased assessed valuation. Enrollment growth next year will be 12 per cent opposed to an estimated 6 per cent increase in assessed valuation."

TRUSTEES APPROVED an average 6.1 per cent salary increase for 1959-60 for the district's 113 non-certificated employees (bus drivers, custodians, clerks, wardens, secretarial help); and an increase of twenty-five cents per hour, from \$4 to \$4.25, for adult program instructors.

Board members noted that the cost for adult program instruction is being paid from state funds and fees paid by participants in the adult program, not from local taxes.

In other actions the trustees: Approved a request by the Acalanes Associated Student Body that the balance of private funds advanced several years ago for scholarships be awarded this year. Trustees each personally put \$2 toward the fund's \$290 to make it an even \$300.

Sanctioned participation of school musical groups in the forthcoming Winter Olympics scheduled for California, for one day programs and upon invitation.

Approved an agreement with the Lafayette Youth Association for installation of little League baseball lights on the Acalanes Little League Field, with the Youth Association to bear the cost of installation. Plans for the lights have been forwarded to the

Record Crowd Pays Visit To Glorietta Open House

Time was taken out from the busy preparations for the Glorietta School Spring Fun Fare, to entertain hundreds of parents at the annual Open House.

The largest attendance on record was welcomed by Principal John Clark and teachers.

The Fun Fare committee, headed by Marcia and Bill Henning, were busily discussing details of the affair, which they expect to be the most unique and versatile ever staged in this area.

A big drawing card will be skipper Sedley of T.V. fame, who will greet the children personally, and present some of his pals such as King Fuddie.

This portion of the activities will be presented in the afternoon, although the event will officially open at 1 p.m.

A large number of original activities will be offered, in addition to such popular things as kiddie rides, white elephant sale, a variety of taste-tempting items, and square dancing.

TB Patients Patio Plan

A patio for the TB patients at the Contra Costa County Hospital in Martinez is scheduled as one of the projects of the Patient Services Committee of the Contra Costa Tuberculosis and Health Association this year, it was announced today by Robert Covert and Mrs. Ernest Terry, both of Walnut Creek, co-chairmen of the committee.

This will be a joint project co-sponsored by the TB Association and the Contra Costa County District of the Junior Chamber Commerce. The objective of the project will be to provide a pleasant outdoor area adjoining the tuberculosis wing of the Hospital for the patients who are able to be out of bed.

In order to keep the landscaping in harmony with the existing plantings, T. G. Heaton and Robert Thayer of the County Planning office have worked out the blueprints for the project.

Ground-breaking for the patio will be started next week. The Jaycees will provide the labor and clubs and interested groups are being asked to contribute shrubs, plants, and patio furnishings.

Mary Dorr Final Book Review Set For Thursday

Mary Dorr, soon to reside in Southern California, gives the final book review of her series at 1 p.m. Thursday at Orinda Community Church.

This series of reviews has been presented by the Orinda Orioles for the benefit of the Mt. Diablo Therapy Center.

Miss Dorr, long prominent in bay area radio, television and book reviewing, was recently selected for the Who's Who of American Women.

Her first two book reviews in the series were extremely well received and for her "swan song" an outstanding crowd of friends, co-workers and book lovers is expected.

Tea will be served following the review. Tickets may be purchased at the door.

State Division of Architecture for final okay.

Approved a right of entry on the Rheem school site for the County Division of Public Works for road purposes.

Called for bids for physical education equipment and acceptance of the access right-of-way on Nursery Lane from Las Lomas High in Walnut Creek.

Accepted resignations from teachers Marilyn Hagood, English instructor at Las Lomas; and Lella Smith, English teacher at Acalanes.

Gas Siphoned From Three Cars

The sheriff's substation this week reported 15 gallons of gasoline had been siphoned from a truck belonging to Paul Stauffer, 20 Coro Court, Walnut Creek.

The thief had been frightened away by Stauffer's daughter, sheriff's deputies said, adding that a rubber hose used for siphoning still was in the tank.

Five gallons of gas also were drained from a car belonging to Janzen, 1073 First Street, sheriff's reports indicated.

Janzen had left his car in the driveway. Missing also were small tools—a measuring tape, a hatchet and a set of wrenches.

A gas station at Ygnacio Road and North Broadway in Walnut Creek also lost gas last week, according to a complaint from Bob Smith, 1670 Riviera Street, Walnut Creek.

Fifteen gallons were stolen from a truck parked at the station, said Walnut Creek police.

Boy Injured In Car Crash With Bicycle

Kevin Paulton, 11, of 1477 Reitz Valley Road, was hurt slightly when thrown from his bicycle while trying to cross Stanley Boulevard near the Pleasant Hill Road last week, reports the California Highway Patrol.

The boy told patrol officers he was coming out of the Acalanes High School parking lot when he forgot to stop before crossing the highway.

Orinda Weather 'Mighty Nice'

This week saw mostly sunny skies, except for last Saturday, when clouds opened to give the area almost a half inch of rain. Mostly, though, the days were those meant for grilling a steak outdoors or leaning on the fence talking to a neighbor.

Total precipitation to date is 17.25 inches.

Summer soon will be here, a look at the highs and lows will indicate.

Governor Signs Waldie, Masterson Written Bills

Governor Edmund G. (Pat) Brown Tuesday signed 12 bills introduced by Assemblyman Jerome R. Waldie (D), Antioch and S. C. Masterson (D), El Sobrante. Contra Costa's two legislators in the lower house.

They are:
Assembly Bill 531, provides that in annexation elections to sanitary districts, voters in the area to be annexed can be asked to assume outstanding bonded indebtedness of the district. It also provides for termination of annexation proceedings upon sufficient protest.

Assembly Bill 536, authorizes annexation to sanitary districts of contiguous territory the district board thinks will benefit from annexation.

ASSEMBLY BILL 538, requires persons named in nominating petitions to sanitary district boards be resident electors of the district.

Assembly Bill 539, requires those already district board members and officers of the district be resident electors.

Assembly Bill 540, terminates term of a district board member when he ceases to be a member of the district.

Assembly Bill 542, deletes obsolete sections of the Health and Safety Code requiring recordings of votes cast, at annexation elections, other than in the territory proposed for annexation.

ASSEMBLY BILL 543, changes sections of the Streets and Highway Code to provide that "incidental expenses" may include charges established by a city as a condition to providing sewer service within an assessment district.

Assembly Bill 545, allows filing at sanitary district annexations proceedings, written objections by "any person" instead of only "interested persons" as previously.

Assembly Bill 547, authorizes sanitary districts to handle their own funds by means of bank accounts, instead of depositing in the county treasury, thereby requiring issuance of warrants whenever disbursements are necessary.

Assembly Bill 549, requires adjournment from time to time, rather than day by day, when a district sanitary board is sitting as a board of equalization and waiting for the assessment roll to be returned by the district assessor.

Assembly Bill 754 (Waldie) liberalizes permissible investments by city retirement systems of funds not required for current disbursements.

ASSEMBLY BILL 651, Masterson and others, eliminates the requirement that, in aid to needy disabled, applicants who are non-citizens declare under oath their desire to become citizens. Its sponsors say this act eliminates

the technical possibility that the applicant involved may be mentally incapable of declaring such intention under oath.

Bethel Daughters Offer Heart Films To School System

A year's goal of the Contra Costa County Bethel of Job's Daughters was realized last week when two educational films on the human heart and how it works were jointly presented by Joan Mirko, Past Honored Queen of Walnut Creek Bethel 238, and the County Heart Association, to the audio-visual department of the county school system.

The films, "The Heart—How it Works" and "The Heart—How it Works and the Human Body—Circulatory System," will be used in health education classwork in county high schools.

"The raising of funds for the purchase of these teaching films on heart and circulation was our year's work project," said Miss Mirko at the presentation.

The films, approved by the California Heart Association and the State Department of Education, were selected by the Contra Costa County Schools' Audio-visual Department as the most useful to high school teachers and students, said William C. McIntosh, county Heart Association president.

More than \$7,000 was raised by California Bethels for purchase of nearly 80 heart films.

Miss Mirko and McIntosh presented the films to E. G. Clemmer, assistant consultant of the county school program at Martinez.

Episcopal Women Plan Lunch-Bridge

The Episcopal Churchwomen of St. Anselm's Episcopal Church are planning a luncheon-bridge party to be held on Tuesday, May 12.

Luncheon will be served at 12:30 p.m. at the homes of Mrs. Paul Dreyer, 1675 Reliez Valley Road; Mrs. Harold Hollister, 665 Los Pinos Drive; Mrs. Walter Meima, 648 Glenside drive; Mrs. Stanley Soder, 3241 Sweet Drive, and Mrs. William Sims, 737 Glenside Drive.

Mrs. John Shaw, chairman, has announced that reservations may be placed with Mrs. Rodney Saylor, AT 4-2330, or with any of the hostesses.

A PLAY OBJECT FROM OWN, says Judy, female Weimeraner, as she takes the play away from Katie Gilfillan, at left, and Pat O'Rourke. The two children and the dog are marking the kickoff of the Polack Bros. Circus letter-writing contest being sponsored by the Children's Hospital of the East Bay for area kids.

Arts Pageant's Spotlight Turns on Dramateur Play

The Sheridan farce, The Rivals, will be presented free of charge during the Pageant of Arts by the Dramateurs at the Walnut Creek Recreation Center May 31 at 8 p.m.

An especially exciting feature will be the costuming, says the Dramateurs.

Jim Harris, whose costumes enhanced the club's productions of The Sleeping Prince and Tea-house of the August Moon, will create 18th century regalia for the classic.

HARRIS HAS had wide professional experience with musicals and operas and studio work in Hollywood and the Orient.

The costumes will be a product of intensive research, says Connie Stearns, Pageant drama chairman.

Ladies of the cast will be gowned in elaborate brocades and lace of the times, complete with flower-bedecked powdered wigs. The gentlemen will be in dress—from austere military to foppish lace—and they, too will don wigs.

Highlights of the play will include several scenes depicting antics of Lydia Langlish, Sir Anthony Absolute, and a minuet danced by the cast.

THE SHOW WILL be directed by Carl Rasmussen. Cast members include Elinor Silverman of Lafayette as Julia, Tish Winkworth of Orinda as Mrs. Malaprop, and Doc Scott of Walnut Creek as Sir Anthony Absolute.

Rolf Williams will be Capt. Jack Absolute, Bruce Winkworth of Orinda will play Faulkland, Bob Acres of Orinda will portray Cary Lawrence, and Jack Holder of Walnut Creek will be Sir Lucius O'Trigger.

The Dramateurs, now incorporated and producing plays at Lafayette Town Hall, is a group about 10 years old. It has a working force of 70 members producing six plays a year.

Dramateur membership includes people from high school age to those in their sixties. They come from all area communities, as well as from Oakland and Berkeley.

Hospital Aux Meeting Held

The Women's Auxiliary of the Concord Community Hospital held a regular meeting Tuesday at "Chubby" Humbles.

Mrs. John Ronayne, program chairman, arranged to have two guest speakers. The speakers were Mrs. J. Young and Mrs. T. Roy Hoover, who are both associated with the Auxiliary of Herick Memorial Hospital in Berkeley.

Mrs. Hoover also edits the Newsletter for the California Hospital Association. They told about their Hospital Volunteer services and other things of interest to the auxiliary group.

High Schoolers Rake In Awards

Four area high school seniors recently won zone competition contests in the Bank of America Achievement Awards Program and will vie for top awards of \$1,000 at the Bay Area Finals to be held in San Francisco May 17.

Local winners were Diane Oberg, Acalanes High School; Michael Wilmar, Miramonte High School; and Philip Condit and Kay Christensen, both of Acalanes High.

The winners were selected for well-rounded high school careers demonstrating qualities of scholarship, character, personality and leadership.

There will be 36 zone winners competing in the San Francisco finals.

Each will receive a minimum award of \$100, and will be eligible for prizes of \$1,000, \$500, and \$250 in each field of study.

Emergency Phone Of Sheriff's Department Told

Sheriff Walter F. Young reminded all residents living in the unincorporated areas served by his department that the installation of an Enterprise number for emergency calls was done for their protection and convenience.

If you need the immediate services of the sheriff's department dial operator and ask for Enterprise 1-1560.

This number connects you immediately with the sheriff's department dispatcher who answers your call on a top priority line called a "hot shot" line.

"Residents who do not avail themselves of this service lose valuable time in securing the services of an officer," the sheriff noted.

He urged all residents to list the number for easy reference and to inform their neighbors, as a public service, of the proper procedure to secure an officer when an emergency occurs.

Englehard Is Sales Manager Of Orinda Pools

H. George Englehard, 5834 Merriewood Drive, Oakland, has been named sales manager of Orinda Pools, Inc., it was announced today by Donald Dougherty, president.

In his new post, Englehard will direct a four-man sales force. The firm builds quality pools throughout northern California with home offices in Lafayette.

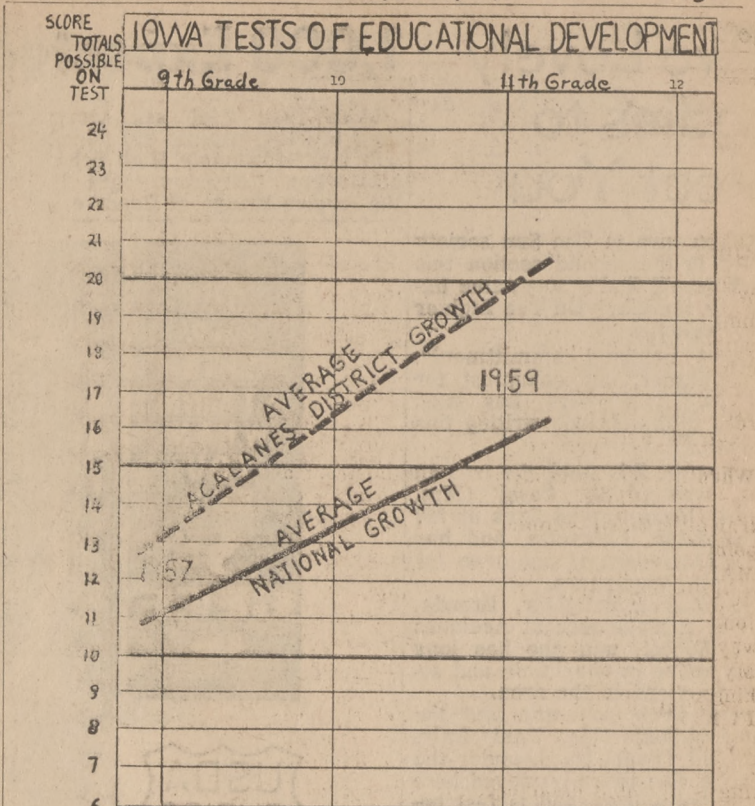

Alaskan-born, Englehard attended bay area schools graduating from University of California in 1950 with a B.A. in political science. While in college, he was a dance instructor on the staff of the Berkeley Unified School District, and comes to Orinda Pools from a varied background of sales and production management.

Before entering the Air Force in World War II, Englehard was assistant to the Hull Superintendent at Moore Dry Dock Navy Yard.

1st Conviction Returned in WC Judicial District Court

A jury of five women and seven men in the Walnut Creek Justice Court of Judge Betsy Fitzgerald found Howard Burton Beebe, 29, of 11 Adak Court, Walnut Creek, guilty of driving an automobile while under the influence of intoxicating liquor.

According to Deputy District Attorney Dick Rockwell who prosecuted the case, this case is of added significance as it is the first jury trial conviction in a great number of years in the Walnut Creek Justice Court.

TOP 25 PER CENT — As pictured in this graph, Acalanes High School District pupils average well above the national average for high school ninth and eleventh graders. The chart compares the academic growth of Acalanes District pupils versus the national academic growth of high school pupils as indicated in the Iowa Educational Development Test given recently to local ninth and eleventh graders. Acalanes district pupils averaged in the top 25 per cent of students tested nationally.

Two Lovely Ladies to Meet You

If you turn to The Sun society pages in the second section this week, you'll find a new name under the familiar "On The Lighter Side" column.

Due to personal commitments, Ina Bliesner, our columnist for the past two years, has been forced to discontinue writing this column.

However, this week the column was written by Carol (Mrs. Evert) Hodges, who lives at 968 Carol Lane, Lafayette, and has been a resident of our area for the past seven years.

She has a daughter, Brenda, who is a sophomore at Acalanes High School, and she has long been active in charitable and social functions in the area.

Next week you will find the name of Doris (Mrs. Paul) Daly, 3185 Old Tunnel Road, under the column. She recently moved here from Santa Rosa and is fast becoming an "old timer."

These two charming columnists hope to alternate the writing task, and thus ensure you of "On The Lighter Side" each week.

Learn to Drive If Court Orders, Tells Judge Rahn

The next Driver Improvement School session will be held at Acalanes High School May 11 and 13, beginning at 7:30 p.m., according to Judge Betsy Fitzgerald Rahn.

The public is invited to attend classes without charge. Judge Rahn points out that attendance by persons assigned by the court is mandatory. Bench warrants will be issued for the arrest of those so assigned who fail to attend both classes.

Bench warrants were issued for the arrest of four persons who failed to attend classes previously held on April 6 and 8, says Judge Rahn.

County Reports First Polio Case

Contra Costa County has its first 1959 case of poliomyelitis.

A severely ill young adult woman has been hospitalized and placed in a respirator, says Dr. H. L. Blum, county health officer.

As is true of 200,000 other county residents, the patient received no Salk vaccine. In 1958, 17 of the 22 cases of polio in the county received no vaccine. The vaccine now available is proven to be safe and 80 to 90 per cent effective in preventing paralytic polio.

All county residents who have not yet had polio shots are strongly urged to start them at once, says Dr. Blum. There is still time to receive at least two injections before the polio season is here.

Art Center Plans Show

The exhibition and social committees of the Valley Art Center announced plans this week for the presentation of a two-man show featuring paintings of Alexander Nepote of San Mateo and Peter Blos of Berkeley at Lafayette's Orchard Nursery the weekend of May 15-16.

A preview party will be held the evening of May 15, according to Mrs. Howard Converse, exhibition chairman.

Acalanes Students Excel In National Competition

Results of a comprehensive achievement test given during February to Miramonte, Acalanes and Las Lomas High School students indicate that the average Acalanes High School District

pupil scores among the top 25 per cent of pupils of the same age level in schools across the nation. Each year the Acalanes District high schools give the Iowa

Test of Educational Development to all ninth and eleventh graders. The test measures student competence and academic growth in basic areas such as science, mathematics, written expression,

literature, general vocabulary and history. **COMPARISON OF** the scores of the ninth grade class in 1957 and this same student group on tests taken this year as eleventh

graders show that Acalanes District students are, "well ahead of the national average both in average pupil achievement and academic growth for the two-year period between testing."

As an example of how this comparison is obtained, Acalanes District Superintendent Neil M. Par-

sons explained that "the average high school student in the U. S. makes an improvement of 4.4 points in two years in his composite score for the areas tested by the Iowa series."

"In the Acalanes District, students made an average composite gain of 6.6 points between

tests taken in 1957 as freshmen and 1959 as juniors." (See chart indicating comparison). According to Parsons, the rate of academic improvement for Acalanes District students in specific subject areas was "equal-

ly impressive." **"IN MATHEMATICS,** the national average point growth for two years is 2.8, as contrasted with 5.4 points for Acalanes District pupils. Acalanes District students also registered a 6.1 average point growth in social studies, including history, as compared to a nation-wide growth for high school students of 3.7."

"Only 25 per cent of the pupils who took this test across the nation scored as well as the average composite score for pupils attending the three Acalanes District secondary schools," Miss Lily Lahti, Acalanes District Curriculum Co-ordinator pointed out.

According to high school officials, "The Iowa Tests are put to many uses. Individual pupils and their counselors may determine their academic strong points and weaknesses in specific subject areas; teachers use the test to evaluate their instructional methods; the district sometimes finds a need for changing or expanding curricular offerings with the aid of the test's analysis of the impact of the school program on student achievement."

Iowa Educational Development test averages are based on test samplings of more than 148,590 ninth and eleventh grade students in 254 school systems throughout the United States.

Acalanes District Receives Federal Defense Funds

Acalanes Union High School District has received an award of approximately \$1200 under the National Defense Education Act of 1958 (Title V) to conduct research work aimed at improving one phase of the guidance program in the local high schools. The project will center around a study of the "academically-talented" student.

The actual work on the study will be done by the district's three Head Counselors Mr. Bruce Handley, Acalanes; Mr. James Norton, Las Lomas and Mr. Gordon Gibson, Miramonte.

Their task will include the establishment of criteria for the identification of the "academically-talented" student; the determination of which students qualify as being "academically-talented," and the development of policies and procedures in the schools that will lead to a more effective program for the utilization of superior mental talent among teenagers.

Committee Will Issue Reports On Symposium

A committee has been appointed to evaluate the results of the first annual Business and Industrial Outlook Symposium held this week at Diablo Country Club, recently announced C. P. Tanner, general chairman of the Contra Costa County Development Association.

The committee includes Chairman W. G. Buchanan of the board of supervisors, County Administrator Joseph P. McBrien, Junior College District Superintendent Drummond J. McCunn and County Librarian Bertha Hellum.

William F. Anderson, Walnut Creek realtor, also is included.

"We are asking the 250 or more participants to make notes during the 16 afternoon talks and to give the committee the benefit of their recommendation," Tanner said.

Transcripts of more of the reports will be made in advance and distributed at the symposium along with current promotional literature.

County Owners May Attend Home School

An opportunity for residents of Contra Costa County to learn about their homes is to be provided by the Diablo Valley College in cooperation with the General Contractors Association of Contra Costa County, the Contra Costa Real Estate Board and the National Association of Home Builders, it has been announced by George Concannon, Walnut Creek, president of the Contractors Association.

"A School for Home Buyers to be held May 5, 14, and 21, covering financing, decorating, construction, maintenance, site selection and landscaping, will be presented," Concannon said.

Persons interested in the course should contact Hal Cheney, coordinator of business education at Diablo Valley College.

There is no charge for the course, Concannon said.

—Colin Bailey, Studio City, Calif., cartoonist for this series.

See here, MacNally, let's be specific: "Fine Union fuel" can mean either New 7600 (powered like a premium, priced like a regular) or New Royal 76 (the West's most powerful premium). Which will it be, sir?

Free Weekend at Carmel Tops Prizes at Benefit

A free weekend at beautiful Los Gatos, plus funds for a baby's welfare, topped the list of prizes awarded at the Orinda Parents' Club's "Barnyard Benefit" on Saturday, May 9, at Phair's and Orinda Motors.

The superintendent of schools, director of curriculum, Orinda school teachers, athletic director, special teachers and custodians will be specially invited guests at the dance from 9 p.m. until 1 a.m.

PROCEEDS from the big benefit will buy books and other needed items for Orinda school, and for the community.

Veiling with the two alternating jazz bands at the dance will be a special entertainment feature, "The Baguettes," popular singing trio which will parody Orinda mothers, fathers, parents and absurdity in suburbia, in harmony.

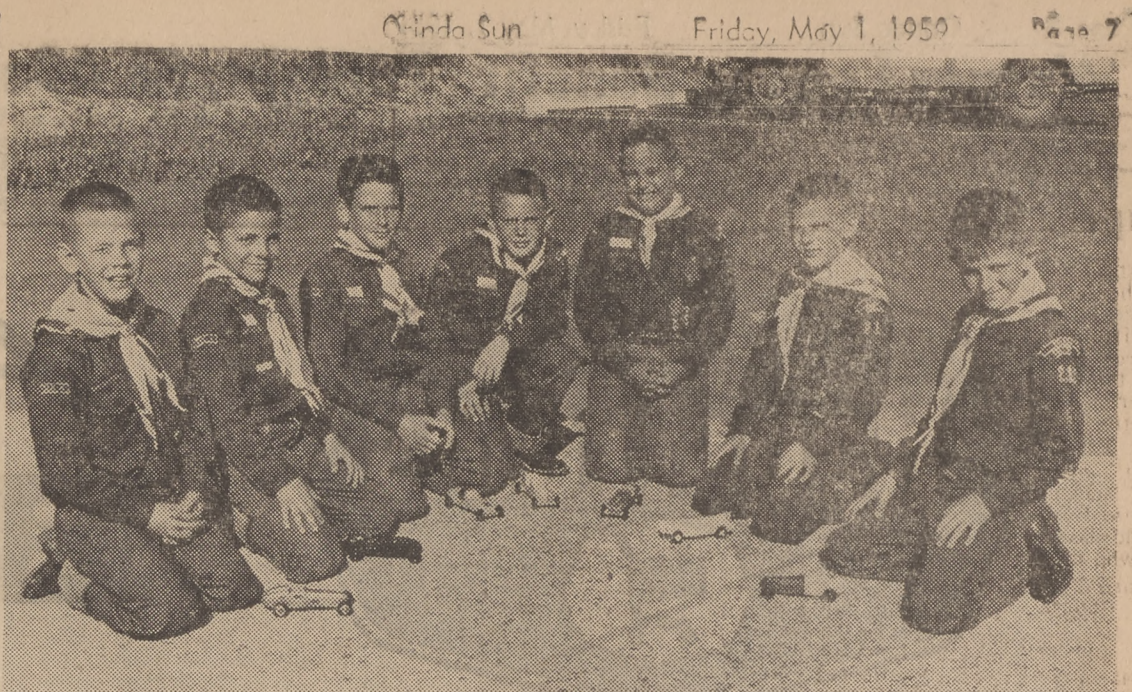

Members of the Orinda trio include the Mesdames Robert Brown, Charles Nelson and Douglas Watkins.

IN RESPONSE to inquiries from those planning to invite guests from San Francisco, Marin County, Oakland and Berkeley to the "Barnyard Benefit," general chairman Mrs. C. W. Brock announced that the "corny attire" called for in invitations may mean jeans and straw hats or night summer cottons.

Mrs. Brock said many dinner parties are being planned in advance of the dance.

MRS. ROBERT THAMAN, committee chairman, said yesterday the following fathers' committee will serve at the dance: Dr. Paul Slattery, Larry Mery, Tom Blackaller, Quentin Thompson, J. Gordon Ainsworth, Leonard Roth, Al Clement, Cliff Benjamin, Willard Miller, Alan Searcy, Howard Bell, Walter Ruedrich, Russell Gilwee, Jack Gilbert, Dr. Robert Lee and Forest Peterson, president of the Orinda Parents' Club which is sponsoring the benefit.

Tickets to the "home town" dance should be secured now through ticket chairmen Mrs. William Gilmore, 33 Acacia Drive, telephone CL 4-3149, or Mrs. Gordon French, 33 Stanton, telephone CL 4-3478, or through room mothers of each class at Orinda school, Mrs. Brock said.

MODEL CARS were raced recently by these cub scouts of Troop 211, Orinda. Left to right are Peter Gregg, Craig Rieser, Rex Scatena, Bob Mark Markstien, Kent Dickenson, Dan Markus and Robin Curtis.

Bankers to Explain Credit Plans at Chamber Meeting

Are the new bank credit plans as easy as the advertisements say they are?

What about credit cards? Is the sky the limit?

THE ANSWER to these and other questions about new bank credit plans will be answered at a public meeting to be sponsored by the Chamber of Commerce Tuesday.

Although this is a regular chamber luncheon meeting at 12:15 in Casa Orinda, officials issued an open invitation to everyone to attend.

Guest speakers will be Richard Donovan, manager of the Pleasant Hill branch of the Bank of America, who will explain the new "BankAmerica" credit card system and John Hall of the Orinda branch of the American Trust Company, who will describe his bank's new credit set-up.

"There appears to be some confusion about the various plans," said Clarence Betz, chamber manager.

"These officials will tell about their banks' plans and answer questions.

"Anyone who is interested in how the systems work is cordially invited to attend our luncheon," he added.

Carnival Will Benefit Orinda Com. Church

On Saturday, May 9, Orinda Community Church Senior Pilgrim Fellowship group will present its third annual carnival.

The carnival will be held in the church parking lot from 11 a.m. to 5:30 p.m.

Tickets will be sold for 25 cents and may be purchased at the gate or from Squire Fridell (Clifford 4-8790).

SOME OF the feature attractions will be a pony ride, a magic show put on by Ron Brown, a football throw, a fishpond, pee-wee golf, and, of course, food.

Door prizes will be announced every half hour.

Some of the prizes include a camera and two rolls of film from the Orinda Camera Shop, a record album from the Patio Record Shop, a \$5 merchandise order from Virginia Hammond, and a complimentary dinner for two at the Kopper Kettle.

TO CLIMAX the day, a street dance will be held in the evening from 8 to 11 in the church parking lot.

The money earned from the carnival will help pay for the cross on the church's new sanctuary.

The carnival is something families will enjoy and to which the whole public is invited.

Beautification Work Will Benefit by Play Proceeds

Although the title is "The Rivals," there will be complete cooperation between two local organizations when the Orinda Beautification Committee sponsors the opening night of The Dramateurs' latest production Friday, May 15, at the Town Hall.

Proceeds from this performance will be used to further the work of the Beautification Committee in landscaping the central area of Orinda.

During the past year more than 4000 seedlings were mass planted. Shrubs in containers were installed in the business districts. Individual trees were donated to line the entrance to Orinda.

They came from improvement associations, merchants, civic groups, garden clubs and scouts.

THIS WEEK it was announced that the Donald Bred family is landscaping the Lucky Store parking lot.

The community has responded so enthusiastically to the plans of the Beautification Committee that it hopes to expand efforts on a permanent basis.

THE MOST recent successes of the Orinda Dramateurs, "The Rainmakers" and "Separate Tables," have been acclaimed by critics from both sides of the Bay.

"The Rivals" is a Restoration comedy by Richard Sheridan featuring outstanding costuming by Jim Harris and stars Bruce and Tish Winkworth, Gary Lawrence, ack Holder, Eleanor Silverman, Betty Moran, Dominic Scott, and Rolf Williams.

Tickets may be purchased for this performance from Mrs. Paul Pollaczek, Stan Allen, Bob Waschmirth, Mrs. Robert Pat-

Schultz to Get PG&E Service Award

W. D. Schultz, 55 Monte Vista Road, will be among 47 employees of Pacific Gas and Electric who will be honored at a service award dinner Friday, May 8.

Schultz will receive an emblem in recognition of his 25 years with the utility. The award will be made at the Castlewood Country Club.

750 Children Expected to Participate in Field Day

Orinda Rotary Club and the Orinda Union School District will sponsor the ninth annual Field Day at Orinda School Saturday, May 9.

More than 7750 children are expected to participate in the program to be held between the 10 a.m. and 2 p.m.

COMPETITION is open to all Orinda boys and girls in the fourth through eighth grades with awards for first, second and third place in each event.

In addition there will be award plaques for the boys and girls scoring the highest number of points and trophies for the winning boy and girl relay teams.

Also a trophy for the classroom whose students chalk up the best score.

The directors of the recreation department and members of the Miramonte Wheel Club will be the timers and judges.

Members of the Pine Grove Parents Club will man the refreshment booths.

HOT DOGS and soda pop will be the menu of the day with ice cream bars available for dessert.

Events of the day:

Fourth grade: Boys: 50-yard dash, softball

850 Students to Present Spring Music Festival

More than 850 music students will be heard in the third annual Spring Music Festival at Miramonte High School Thursday at 8 p.m.

There will be a 700-voice choral group, and more than 150 instrumentalists.

THE ENTIRE concert will be built around the music from the Broadway hit, "The Music Man." Students from the fifth and sixth grades at Del Rey, Glorieta, Sleepy Hollow and Orinda schools will be heard.

Also seventh and eighth graders from Pine Grove School will participate.

The production is under the direction of Jerry Meeder, district music director.

VOCAL DIRECTORS are Robert Luoma and Margy Di Loro. The orchestra is directed by Charles Pendleton.

Some of the show tunes to be heard include the now-famous "76 Trombones," "Wells Fargo Wagon," "Goodnight, My Someone" and "Will I Ever Tell You?"

Maccario Finishes Air Force 'Basic'

Airman Richard J. Maccario, son of Mrs. Mario C. Maccario of 357 Glorietta Boulevard, has completed his initial course in Air Force basic military training at Lackland AFB, Texas.

He has been selected to attend the technical school for radio and radar at Keesler AFB, Miss.

Airman Maccario is a graduate of Acalanes Union High School.

Going Out Tonight...? Here's Some Advice!

Going to the dance Saturday night? Planning a short weekend trip? Chances are that you'll need a baby sitter if you have a couple of wee ones around the house. And with the fine weather on the scene at last, the urge to take an evening off becomes almost overwhelming, and the baby sitter problem becomes acute.

JUST AS A REMINDER, here are some suggestions. If you follow them, you will be a lot more relaxed at your party or gathering, and your children and baby sitter will be a lot safer.

Leave the following information for your baby sitter:

Information as to where and how you can be contacted in case of an emergency.

Name and address of your home. Name and address of where you will be going, as well as phone. What time you expect to be there, and what time you expect to leave.

LEAVE THE PHONE number of the police department or sheriff's office, the fire department, your doctor and the nearest hospital.

Explain to your baby sitter where you keep any items he (or she) might find necessary for the care of the child. Show your sitter how to operate correctly any

appliances that might be used.

Show the baby sitter the location of your phone, and check to see that all doors and windows are locked.

And just a word for the baby sitter.

IN CASE OF FIRE, get the children out of the house, leave the doors closed and call the fire department from a neighbor's house. Don't go back in.

In case of sickness or accident, always try to notify the parents. If not sure of what to do, call the sheriff's office or the doctor or hospital listed by the parents.

And finally, don't open the door to strangers, even though they claim to be friends of your employer. If you have trouble from prowlers or you feel that a suspicious person is loitering about the premises, call the sheriff's office or your police department.

AND WITH THESE things done, you should find baby sitting a pleasant experience—providing the children behave, of course.

And parents! You'll find that you're able to relax a lot more thoroughly knowing that all eventualities have been covered in advance.

So go ahead, now. Go out and enjoy yourselves!

Here's A Hot Phone Call

Just Dial Enterprise 1-1560!

It won't cost you a penny, and you'll be surprised at the service you get.

Of course, it had better be an emergency, because when you call that number you will be connected directly with the radio dispatcher in the sheriff's office.

And that means you'll get a patrol car at your front door just as fast as one can be driven—if it is an emergency.

The installation of this line represents an improvement in service by the sheriff's office to the residents of the county, and Sheriff Walter Young is to be commended.

THE ENTERPRISE number is, of

course, toll free, so no matter where you live you can call the Martinez radio dispatcher without cost.

Some residents in the central county area have complained because the Lafayette Sub-station is not open past five o'clock. But actually, you will get faster service by calling the Enterprise number than you would if you called the sub-station, because in the latter instance your call would have to be relayed to the dispatcher.

THIS WAY YOU get the dispatcher direct on what is called a "hot shot line."

Just one warning! Don't dial this number unless it is an emergency and you want an officer right now.

Where Is The College...

As you probably know, especially if you have a son or daughter who is thinking of higher education, the state is in the process of establishing a series of colleges to help absorb the post war boom in higher educational enrollment.

This affects us in one way. A college which would serve Alameda and Contra Costa Counties is in the mill and, in fact, intends to start instructions in the Fall. The only problem, at present, is the location of this state college.

THE CHOICE OF sites has been narrowed to three, all in Alameda County. Two of the sites are in the Hayward area and the third is in the Pleasanton area.

Now it is of more than academic interest to us to be concerned with the location of this school. After all, it is supposed to serve both counties, isn't it.

Marie, Dawn Is Breaking

By JACK SEYMOUR
THIS is a LOVE LETTER, not in the SAND...
It's to a GIRL who never uses "AND..."

Marie Monahan, WHO WRITES for the Sun Newspapers, has a style of writing that appears TO BE one part lunacy and 1 part logic mixed with FACTS, figures, times and dates.

MARIE is the ORACLE OF ORINDA & in addition to her column "We Like It Here" which APPEARS on this PAGE every week, she also knocks out several hundred CAPITALIZED words for Orinda called, "Suburbia Scribbles."

BUT DON'T let that TITLE fool you. It's no more scribbles than Washington's Farewell Address (1421 Las Lofer Camino del Cha-Cha-Cha.)

THIS GIRL spends hours and hours with her SCRIBBLINGS & if something is GOING ON in this area and SHE doesn't know all about it (7:30 p.m., in the main garage of the George ("Blue Chip") Moneybags lovely RESIDENCE atop Mt. Diablo) THEN IT JUST ISN'T WORTH KNOWING ABOUT.

I once asked Marie why she uses the ampersand instead of the word "and" & she asked, "What's an ampersand?"

BUT DON'T get me wrong: I love Marie & evidently so DO an awful lot of other SUBSCRIBERS because she has a vast following of devoted READERS.

THEY count on HER to brighten up each FRIDAY with her news and notes about HIS & HER doings all around the AREA.

I WOULDN'T miss her columns for all the writings of HEDDA or LOUELLA, or all those other writers-come-lately.

OFTEN Marie phones in to say she'll be LATE with her copy & is it all right? SHE phones FROM HER SUN DECK where she is typing away, having a leisurely cup of COFFEE (which she bought from the DARLINGIST little man at the Happy-Happy Coffee Shop, 2349-A Muskrat Creek Road).

Or she comes in to the editorial offices with a mad gleam in her EYES. She has LOST her Rhyming Dictionary!!! TRAGEDY has struck!

But SOON she finds it again & everything is rhyming like MAD. Also the CAPITALIZATION runs dizzily on & the ampersands fly like crazy.

WITH MARIE there is never a calm before the STORM.

The storm is always with US.

AND, I hope, MARIE will always be with US.

For, after you get used to the STYLE, the dawn begins to BREAK.

You'll find all KINDS of interesting items about people (The Rudolph Reindeer family is an adorable example of real "honest-to-McCall's-TOGETHER-NESS); places (have you seen the abandoned CASTLE on the slope of Rancho Alcoholic? It's a steal at \$190,000, my dears!); & things (EVERYONE is enchanted with those darling little war-surplus bazooks on sale at the Crossroads... They make heavenly PLANTERS.)

Marie, I love you.

Don't EVER CHANGE.

For as long as I can read your columns I KNOW that all's RIGHT with the WORLD.

& let the AMPERSANDS fall where they MAY.

Let's Crown Mother... (Queen for a Day!)

By MARIE MONAHAN

Hi Ho Honey & a Nonny, Nonny Hey! Time for Maypoles, Mother's Day.

On the doorknob, hang a basket, full of posies, tisket, tasket!

TIME for radish & rhubarb roster,

Time for next-door neighbors nosier,

Time when young girls primp, are posier.

Why? Oh, My, it's May!

Dawn delights & moonlight nights, in between a cloudless day, Month for Mother, our May Day Queen, make her Queen For A Day!

Time to give her breakfast in bed,

A crown of daisies upon her head,

(Then take the kids off for a picnic instead. She won't mind, leave her behind. Be kind!)

MONTH for busy chockful date books, month for dizzy charcoal "mate" cooks, month for parties, fashion shows & walls of "What-To-Wear-Now" throes.

TIME when men are looking dashier,

Time when swimming pool sounds splashier,

Time when all young boys are flashier,

Time when long green lawn is grassier.

It's May!

MAY! When summer brides are skipping, hopping, seen about at trousseau-shopping, blush of love upon their cheeks, flush of pride at present-opening, while shower guests are "hope-chest" hoping...

May Day dancing, children prancing, in & out the streamers go, over, under, weaving so

MONTH for making summer plans & time for starting summer tans.

Maytime, playtime, gay time, FUN!

We're glad your days are thirty-one!

Heart Association To Eliminate Service

Recent research which has produced synthetic arteries to replace a worn-out aorta in the human body and can also be used as a segment in surgery has enabled the Contra Costa County Heart Association to discontinue one of its services to heart patients. This announcement was made by William C. McIntosh, president.

The president referred to the Artery Bank Service whereby patients in certain types of surgery were provided with human artery segments, mainly where the artery has been severed accidentally.

THE REASON for discontinuance of the service of collecting and processing human arteries for transplantation by surgical procedure was attributed to recent research which has resulted in the discovery and use of a substitute for arteries taken from a human body. This is in the form of a tube of dacron.

"Whereas the artery graft was the subject of speculation a few years ago," McIntosh stated, "it is now a routine procedure saving and prolonging many lives. Now research has advanced to the point where in many cases an artificial artery can replace a worn-out roata in the human body and can also be used as a segment in surgery."

For the past three years, the Contra Costa County Heart Association, along with other Heart Association chapters in California, has supported the Irwin Memorial Artery Bank with funds and assistance in the procurement of arteries when the need arose. This support will be discontinued on July 1 of this year.

McINTOSH POINTED out that the Irwin Memorial Artery Bank in San Francisco will continue the procurement, processing and distribution of arterial segments for use by physicians when this treatment is necessary.

From the Heart Association viewpoint, McIntosh said, "We feel that the substitution of a synthetic artery is a big forward step in research—research which has been made possible by continued public support of the fight against the heart diseases. This is an instance where the Heart Association is in the unique position of dropping a service program, which has been of great importance, because research efforts have eliminated the necessity for such support. Instead, we shall turn to other service programs."

Suburbia Today

Hey, Stupid—do we need a set of encyclopedia?

Letters to The Editor

SUBURBIA TODAY

DEAR EDITOR:

The addition of the splendid magazine supplement, "Suburbia Today," to The Sun marks another milestone of progress in our community.

I wish to congratulate you for this added service which puts our area journalistically on a parity with metropolitan centers.

We are proud to live in a suburb whose leaders, like yourself, have the farsighted judgment and unselfish civic loyalty to keep pace with progress.

We will look forward with keen anticipation each month to the arrival of the magazine together with the other timely and interesting news we always find in The Sun, a newspaper of which we are proud.

E. J. TERWILINGER
AND FAMILY.

ANOTHER COMMENT

DEAR EDITOR:

I have read with interest the copy of "Suburbia" magazine section which came to me with my subscription to The Sun.

It is very attractive in appearance and makes a definite contribution to family enjoyment of The Sun.

This magazine will have a wide appeal, I'm sure, since it includes a foods and fashions section as well as articles which appeal to all family members. The color pictures are most attractive.

DANGEROUS WALK

DEAR EDITOR:

I have just walked from Sunset Village to the Louis Store in Lafayette and back home again. I was pushing a stroller.

By the time I got home I was fuming at the fact that such a short walk should be such a dangerous one.

There is no sidewalk; there is not even a paved shoulder for pedestrians.

And a baby in a stroller could be knocked senseless rolling over the ruts and rocks.

I came home and picked up The Sun to find that the merchants are going all out to beautify the business section.

Such things as redwood planters and marigolds are admirable but isn't the community overlooking the potential customer who travels on the way?

The distance from Sunset Village to the central part of Lafayette is perhaps half a mile but here are the hazards encountered along the way:

1. An unfenced sheer drop into the creek at Village Center Drive, a potential death trap for children.

2. Much loose rock and gravel on the highway which could be thrown into someone's eyes if a tire should spew it up.

3. Speeding cars traveling within just a few feet of pedestrians. A careless action by either driver or pedestrian could prove fatal.

4. No uniform parking system for cars—thus forcing pedestrians to weave in and out between parked cars, another obvious hazard.

In addition to these dangers, each merchant along the way has finished his frontage with no thought of how it will look next to his neighbor's.

With a patch of sidewalk here and there, a paved lot next to a gravel lot, and careless parking at every conceivable angle, the whole effect is one of clutter.

Perhaps all of this could be overlooked if there were any other route to the business section from Sunset Village but there is not.

This leaves only one alternative: Wait until we do have the use of a car and drive over to Walnut Creek to shop!

As for the children, it looks like they'll just have to take their chances.

Hears Adoption Agency History

Pandora Chapter of Children's Home Society in Orinda, met Wednesday at the new location of the Children's Home Society headquarters on Telegraph Avenue in Oakland.

Mrs. Frances Hickey, head of the volunteers, spoke to the members about history of the adoption agency and all phases in handling the infants up for adoption.

Under The Sun Smile, Relax and Study Your Everyday Tensions!

By HERMAN SILVERMAN

Some months ago this column published cartoons and comments reproduced from "Growing Pains." This clever booklet was published by The Connecticut Mutual Life Insurance Company to help us better understand our growing children.

Now, this company has published "Needlepoints—the Everyday Tensions in a Woman's Life." It is excellent and we have asked permission to reprint the cartoons and comments. Three are presented herewith and the others will be forthcoming on this page.

Envious Ella

There she goes again! Poor Bill. No wonder he looks detached, wishes he were somewhere else. He is sure he does the best he can for Ella. But she is always dissatisfied because her only measuring rod is her neighbors' possessions.

Ella ought to be honest with herself, try to figure out what makes her so frustrated. It isn't easy to face yourself. But it's worth a hard try. For only frustrated people are envious of others. Envy doesn't get fur coats, new cars and round-the-world trips. It only brings misery.

Bill might ask himself if he still shows Ella the little attentions every woman needs. Is he as thoughtful as he was when they were first married? The largest diamond in the world is a poor substitute for tenderness and affection.

If Ella would use her energy to make a pleasant home for Bill; if she would think in terms of Bill's needs rather than her envies, she would be a happier woman. Life is hers to enjoy if she will stop letting envy gnaw at her nerves until they scream like a tormented cat.

Oh! What a Beautiful Morning!

What's wrong with this picture? Just about everything.

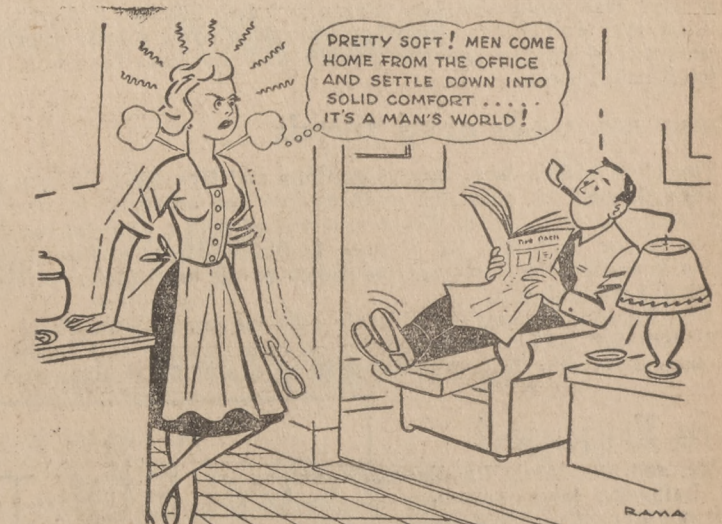

Look at Mother. What a sight. And look at Father. What a way to start the day.

Is it really necessary to live in a state bordering on panic? Are these people so unable to control their lives that the atmosphere in their homes is like a perpetual pneumatic drill?

Let any woman who feels that being "only a housewife" isn't important reflect on this all-too-typical scene. Home is the center of the universe. Here the pattern is set. Here characters are molded for life. This is woman's domain.

All of this needless rushing around could be stopped. If Mother would get up a little earlier, give herself more time, dress the way she did when first married, she might get a pleasant surprise. Father might just happen to get down a bit earlier himself. Result: one tension released.

One of the great people of all time, Dr. Albert Schweitzer, has said that true satisfaction comes from doing what you have to do as well as you can. He knows.

It's a Man's World

Watch Florence fume. What a head of steam she's building up. She is thinking:

Men get all the breaks. Who wanted to move away from the bus line? Who takes the car all day? Who needs interesting people, eats lunch at glamorous restaurants? How would he like to dress the kids, cook breakfast, wash the dishes, make the beds, clean the house, open a can of tuna for lunch and maybe steal a few minutes before the kids come home from school to look at TV?

No doubt about it, Florence's life is no picnic. But who said life is meant to be a picnic. Her husband has troubles of his own connected with his job, often wishes he could ditch his responsibilities too. Every woman...every man too...has moments when she feels depressed and hemmed in by life. But the wise woman doesn't let negative thinking poison her mind. She calls on positive, constructive thoughts to help her over the rough spots.

Ever notice how differently two people react whose circumstances are almost identical? One whines at her fate, complains to all who will listen. The other accepts life realistically, knows the inner satisfaction of work well done...no matter what it may be.

No Florence, it isn't a man's world. It isn't a woman's world. But you have the power to make it your world...and a wonderful one too.

On The Lighter Side

BY CAROL HODGES

AH, SPRING! It is luring Mrs. William B. West of Boyer Circle, Lafayette to the Hawaiian Islands in May. She will be accompanied by her daughter Mrs. William E. Haney of Ross, Marin County. Mrs. Haney is well known in the Art and Garden Center there, and is also affiliated with the Guide Dog Program.

Mrs. West, among many other things, is the very gracious sponsor of the Cardinal Unit of the Mt. Diablo Therapy Center. They will go directly to Oahu Island, stopping at the Reef Hotel at Waikiki. They will visit the island of Hawaii; Crater House and the Old Hotel at Hilo. They will also visit the island of Maui and spend some time on Kauai, the Garden Island.—ALOHA!

Don't Forget to mail this one . . .

The mailmen are working overtime and the telephone lines are literally buzzing with invitations to parties and all of the "fun activities" that are all a part of spring. Pearl and Wayne Barrett, Dolores and Fred Cochran were recent guests of Paul and Ree Klinkhammer in San Francisco. After dinner they went to see "Gigi" and agree with the Academy—it did deserve nine Oscars!

Kay and Ale, Cornell and Jerry and John Collins were suffering from spring fever a short time ago and just decided to take off. They stopped in Sacramento first to see Mr. and Mrs. Peter Perdel and then on to finish the week end at Lake Tahoe.

Enjoying St. Paul's Episcopal Church of Walnut Creek's Spring Dance at Diablo Country Club were J. A. Hopkins and the John Geduldigs. Vi reports that their "Mediterranean Holiday" evening was highly successful, all the way from cocktails at the Robert Newman's, Pleasant Hill, to the breakfast at Mel's!

Then there is SPRING, which brings with it one less pleasant aspect, that being housecleaning. But Nora Cook found the ideal answer this year. She won first prize in the housecleaning contest sponsored by KROW Radio, Oakland, and they came out and did her cleaning for her!

So, the Cook household is now sporting freshly cleaned living room furniture and rugs, walls and floors in baths and kitchen, and spotless windows throughout. Some people have all the luck!

But the buzzing wasn't bees . . .

The Units of the Mt. Diablo Therapy Center have been busy as bees; Mrs. Mary Doyle of San Francisco was honored by the unit which bears her name recently at a luncheon at the Diablo Country Club.

Other sponsors of the unit also were guests at the luncheon which preceded their eighth annual Drama Tea. Approximately 350 women attended the tea and a delightful current Broadway comedy was read by Margaret Woodall in a country garden stage setting. Mrs. Woodall was introduced by their president, Mrs. John Rasmussen.

The four tea tables were beautifully decorated with flowers in a pink and silver color scheme—accomplished by Mrs. Ridgway Woodburn and Mrs. C. Wadsworth White. Mrs. R. M. Iversen of Alamo was general chairman and her committee included Mesdames George Riser and Robert H. Clare of Alamo; Allen Faber, Robert C. Carpenter, Kirk Otto, John Keeling, Hugh Gordon, Addison Page, John Westhe, Robert Lindgren, Danville, and William Owsley, Willard Reinheimer and Donald Huenink, Diablo. Sponsors presided at the tea tables with members of the Parakeets, junior auxiliary, assisting.

AND THEN the Lafayette Larks report their Dessert-Bridge a huge success—after much early morning scurrying around! All members were jumping from eight 'till one; rounding up extra chairs, cloths, napkins etc. for last minute reservations, and a co-hostess from every open home had to pick up the wonderful French pastries at a bakery in Moraga the very last minute so they would arrive fresh to the tables.

Holding their homes open for the event were Mesdames Edward Ageno, Newton Warburton, William Simpson, Donald Fibush, Kenneth Welch, A. C. Farrell, Richard Fulham, Joseph Tessier, Howard Hearn, Joseph Lateana, Jim Shiery, Walter Gritzer, Donald Campbell, Harry Young, Robert Stevens and Lloyd Anderson.

Those ambitious Junior Larks are at it again with another unusual project—a Bottle Party. Collecting them, that is! The teenagers will meet at Judy Arrigo's home for breakfast then out to collect refundable bottles (money to aid the Therapy Center) and back to a big lunch at Ageno's Skyranch. Karen Koser is the chairman behind this little money maker.

Bring your own Orchestra department . . .

So, who needs an orchestra? Not Mr. and Mrs. Edward L. Belle-garde! Their new Hi-Fi ran the gamut for strings, brass and woodwinds for fifteen couples as they opened their house for their dance conscious neighbors in Lafayette. Among the winged-footed, were the "Bud" Berggrens, Kieth Johnsons, James Robertsons, Charles Coopers, John Grobes, Dean La Fields, Perry Holmes, and James Watson and Jo-Ann Hess. Surprise! Clara Nittinger was a delighted fifteen as her teen-are friends, Karen Peterson, Diane Smith, Ann Jenks, Susan Gokins, Judy Johngrove, and Colleen Daly served her a pot luck dinner at the home of Mr. and Mrs. William S. Peterson.

Ice skating helped them to regain their appetites as they returned from the rink to the Peterson's home for cake, ice cream and punch followed by the rattle of tissue as Clara opened her birthday gifts.

A mother-daughter tea was held in the early afternoon a short time ago, for the freshman girls of the Walnut Creek Presbyterian church by Mrs. Daniel (Bernice) Condit, leader and advisor to the group.

Spring prints and petticoats graced the parlor of the church as the younger set served their mothers tea and cake. Mrs. Condit, who devotes many days and hours working for her "girls," is also the mother of Phillip Condit, recent scholarship award winner in the fields of mathematics and science and student body president at Acalanes.

Miss Mary Viola Buchan, original owner of the ranch which has since been subdivided into "Peardale" and "Buchan Estates" in Lafayette, was honored by a housewarming party shortly after having moved into her new home which was built near the site of original ranch house.

These are really good friends

Two close friends, Mrs. August Hoffman and Mrs. Effie Richert, jointly planned the guest list of thirty-five and arranged for the refreshments. Mrs. Mabel Wilson entertained with a graceful rendition of the Hula and Mr. George Lydiken, after singing two songs in his fine baritone, led the ladies as all participated in a session of group singing.

Miss Buchan received many lovely gifts for her new houseweld. By the way, a Cocktail Dance will be held May 3rd at El Nido Rancho, Lafayette, from 3 to 6 o'clock by one of the newer units

Are Engaged

Mr. and Mrs. Alvin Ruediger of Lafayette have announced the engagement of their daughter, Donna, to Edward Pahl of Walnut Creek.

The announcement was made at a recent garden party held at the Ruediger residence.

DAPHNE BRANCH of Children's Hospital, Lafayette, is sponsoring its annual formal dinner, "Starlight Waltz," to be held in the Brazilian Room, Tilden Park, May 8 starting at 9 p.m. Getting together recently to discuss plans for the event are, left to right background, Doug Freeman and Peggy Hansen; foreground, Jane Wolf and Paul Cohen. 'Starlight Waltz' to Be Held by Daphne Branch

Chinese lanterns will decorate the patio of the Brazilian Pavilion in Tilden Park Saturday night, May 8, when Daphne Branch of Children's Hospital of the East Bay stages its annual spring formal.

Daphne members, all of Lafayette, have titled their party "Starlight Waltz," according to Karen Miller, chairman of publicity.

Pat O'Toole, chairman of Daphne, is handling tickets which are \$2 a couple.

Other committee members

are: Linda Brudney, chairman of bids, assisted by Dee Garfield, Peggy Hansen, Barbara Jellet, Diane Olberg and Sue Olson; Janet Partland, chairman of decorations, assisted by Pam Baker, Julie Busch, Kathy Desch, Bonnie Gallagher, and Sherrie Gidley; Ellen Morgan, chairman of entertainment, assisted by Sue Auld, Helen Dinwiddie, Neanie Fredman, and Sharon Glatfely; Miss Miller, chairman of publicity, assisted by Diane Bell.

of the Therapy Center, the Swallows. Music to be furnished by the ever popular Maurice Anger and his orchestra. An affair of this sort brings to mind the Tea Dances held at the St. Francis and Mark Hopkins years ago, and to borrow a phrase from the late E. V. Durling, perhaps only the "Young Old Timers" can remember them.

Tea or what have you, was served on Saturday afternoons; music being supplied by such famous orchestras as Ted Fiorito and Anson Weeks. So happy to see such a "fun" occasion being revived.

It is hard to say goodbye to friends as any time of the year, but when everything has a new start (Spring again) it seems to be doubly hard. But nevertheless, a former member of the Hummingbird Unit, Audrey Allen and husband Dick are headed toward Chicago to live.

Heidi Chapter Holds Dessert Bridge, Lunch

Heidi members met at the home of Mrs. Stannis Hinman, 777 Moraga Road, for their monthly dessert bridge.

Dessert was served at 12 with Mrs. Earl Capell and Mrs. Earl Flescia as hostesses.

Proceeds from these monthly parties go to the Children's Home Society.

Yesterday Heidi members hosted eight simultaneous luncheon card parties held in the homes of members.

Homes open were those of the Mesdames Arthur Steifvater, R. Falk, Glenn Stubblefield, O. R. Hayes, Gilbert Myers, S. DeAngelis, Everett Fuller, and Robert Mossman.

Mrs. Gilbert Myers and Mrs. R. G. Falk were chairmen of this spring time event.

Next Tuesday the indoctrination tea for old and new members of the chapters of the Children's Home Society will be held at the society's new home, 3200 Telegraph Ave.

Attending from Heidi Chapter will be Mesdames Everett Fuller, Robert Mossman, Robert Locky, George Pedersen, Ledru Frank, Glenn Stubblefield, Earl Capell, W. H. Minor, James Newcomb, Carl Ball, Charles Grant, Charles Johnston and E. C. Murray.

Shipboard Theme for Fashion Show

The Junior Alliance of Children's Foster Care Services' Mayfair luncheon and fashion show set for May 7 will be widely-attended by local women, to judge by reports today.

Mrs. Wesley E. Risedorph, reservations chairman, announced today that reservations for some 700 guests are already "in" to attend the Mayfair affair to be held in the Claremont Hotel's Garden Room.

With "Oriental Cruise" the theme, Mrs. Robert D. McKenzie of Lafayette and her committee have done an inspirational job putting things in ship-order.

Providing a proper cruise atmosphere will be two boat models three to four feet long of American President Lines ships and a large mural of a ship used for luxurious passenger travel to the Orient.

Exotic menu-covers, containing the program for the style show featuring fashions by Leibes' of San Francisco, will be provided each guest by American President Lines.

The vivid program covers each depict one of the five ports of call: Ceylon, Hawaii, Japan, the Philippines and Hong Kong. Commenting the cruise clothes showing will be Mr. Lloyd Leibes Jr. and Mrs. Albert Rubey of Diablo.

General Chairman Mrs. D. Grant Mainland and Mrs. Robert F. Wildman, who is in charge of models, announced that the attractive roster of models, include many local matrons—Mesdames H. B. Gardner, Robert Haaf, Kenneth Holland, William A. Ingram, Vernon Louis, Alan McDowell and Elbridge Ostrander, all of Orinda; Mrs. Richard W. Johnson of Lafayette and Mrs. Roscoe Lee Matkin Jr. of Concord.

Hostesses will seat guests for the 12:30 luncheon following a social hour to begin at 11:30.

Tickets are \$3.75 for the Leibes fashion luncheon and may be purchased at the door by calling Mrs. Wesley E. Risedorph at KE 2-6647.

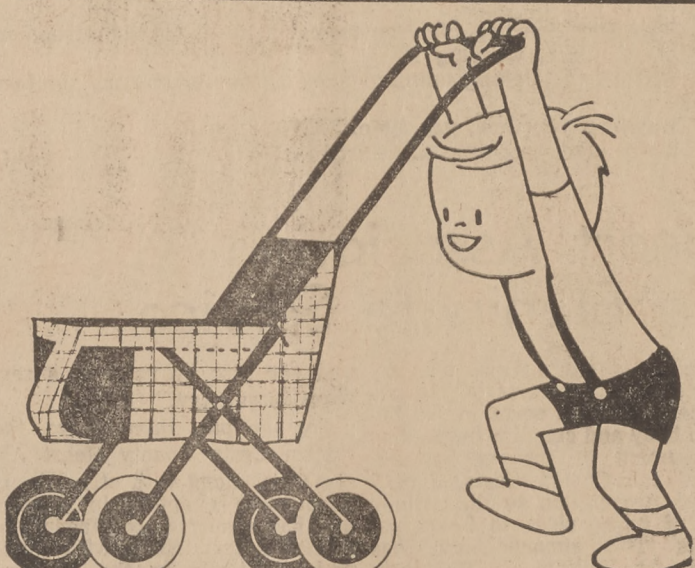

Hilltop Club Tours Garden Of Prize Iris

The monthly meeting of the Hilltop Garden Club of Orinda was held at the home of Mrs. J. D. Fox, of 118 Las Vegas Road.

Mrs. Fox, who has won many awards for her iris, gave an interesting talk on iris culture.

The members toured her garden to see the prize plants which are now in bloom.

At the coffee hour which followed, the hostess was assisted by Mrs. Ashton Smith.

Board Posts 'Up in Air' In May School Election

"How should Contra Costa schools be run?" That's the question that's up in the air come May 19, when the annual election will decide who fills what in school board posts throughout the county.

The candidates have phrased it, and John J. Voter will decide it.

The election seems to pose its share of excitement, according to county officials.

Candidate filing closed April 17 with apparent contests in some two-third of the county's 34 district elections.

"THERE WILL be 20 contests," said County Superintendent Floyd Marchus, adding that this was an all-time record for offices once going largely uncontested.

Rivalry really will be the word

Oakland Pastor Will Speak at Fair Play Meet

Rev. Roy Nichols, prominent Oakland Negro pastor, will be guest speaker at the regular monthly meeting of the Fair Play Council of Contra Costa County, Lomas High School Tuesday at 8 p.m. in room 503.

Rev. Nichols is pastor of the Downs Memorial Church in Oakland, and he will speak on What the Negro Needs in Housing and Employment.

Gib Gray, council ex-director, will conduct an election of officers at the meeting and plans for the coming year will be discussed.

The Fair Play Council is a small civic group of church and lay people interested in aiding minority families.

Tuesday's meeting is open to the public.

Council Names Lincoln to Post

When the first annual Pacific Coast Builders Conference meets in San Francisco this summer, the General Contractors Association of Contra Costa County will be one of the 10 affiliates of the Home Builders Council of California sponsoring the event.

Kermit L. Lincoln, Lafayette, one of the Bay Area's largest home builders and developers, is publicity chairman for the July 6-9 conference at the Sheraton-Palace Hotel.

Lincoln is a director of the National Association of Home Builders and past president of the General Contractors Association of Contra Costa County.

May 19, a look at a recap of candidates will reveal.

In 23 elementary school district elections, there will be contests in 11. Two of three unified districts will have contests. So will five of six high school districts.

The county Junior College District and the election of Board of Education members also will be highlighted by contests.

THERE WERE no filings in Selby Elementary, where there will be one board vacancy July 1. Selby voters, therefore, will participate in a write-in vote, says Marchus.

It should be "dog eat dog" in most contests.

Howard B. Jones will vie with W. A. McCourt and Benjamin E. Gordon for only one opening in the Mt. Diablo Unified District. Jones is the incumbent.

In the Ascalanes Union High School District incumbents Ralph C. Hall and Will C. Hall will look for re-election, and Henry E. Luebke will battle them for one of the two open seats.

PROBABLY THE hottest contest will shape up in the Walnut Creek Elementary District where six aspirants will try to fill two openings.

Candidates in the Walnut Creek District are Alex D. Lindsay, incumbent; Robert C. Durand, Phyllis Hartwig, Louis R. Pito, Anne M. Pratt, and Donald M. MacVean.

Two terms are open in the Moraga Elementary District, one for three years and one for one year only. Three persons have filed for the two places.

UP FOR MORAGA re-election is Donald M. Falconer, incumbent. Falconer is certain of winning, since only he has filed for the one-year term. Ivan W. Clark and Leland C. Nelson, a Moraga dentist, will go down to the wire for the three-year term.

The Lafayette Elementary District will see "no action." Up for election here are two incumbents, Sara Lee "Chris" Adams and Boardman W. Moore. Both are unopposed.

Orinda Union District, however, promises more in the way of election battles.

RUNNING IN Orinda for two posts are Philip D. Bush, Mary Figone, Herbert A. Waterman, Harry Clemons and Donald E. Manuel.

Alamo Elementary also promises a contest. Two board vacancies will be filled here, and four persons have filed.

Up for election in Alamo are Marjorie F. Westlund, Walter L. Day, Elaine A. Dixon and Carol M. Kirk.

Claude R. Seeds Sr., will be un-

opposed in the Canyon Elementary District.

There also will be no contest in Danville Union Elementary, where Harold W. Smith and John W. May, both incumbents, have filed for re-election to fill two openings.

SMITH HAS filed for a three-year term, while May is up for a two-year term.

A. C. Johnson, incumbent of the San Ramon Elementary District, also is unopposed for only one vacancy. He, too, is certain of re-election.

The San Ramon Valley Union District, however, promises more.

Here one post is open to two candidates. Frances P. Garrison, incumbent, and Lloyd Dynes will battle it out for the vacancy.

Battle possibilities also lie in the contest for seats on the County Board of Education. Four posts

are to be filled, two for four years each, one for a three-year term, and one for a one-year term. Five candidates have filed here.

RUNNING FOR seats on the board are Elvo R. Travallini, incumbent; Samuel Bradbard, in-

cumbent; Richard L. Patriquin, incumbent; and Betty Kipp and Calvin M. Verrinder.

Miss Kipp and Verrinder are rivals for a three-year term in the same district.

Also to be chosen is one seat on the District Governing Board in

Ward 5 of the Junior College District. Fred R. Abbot, incumbent, and Charles P. Cash are running for the opening here.

Adding to election day excitement will be voting on bond issues in four districts and a tax rate election in another.

Learn to Drive If Court Orders, Tells Judge Rahn

The next Driver Improvement School session will be held at Acalanes High School May 11 and 13, beginning at 7:30 p.m., according to Judge Betsy Fitzgerald Rahn. The public is invited to attend classes without charge. Judge Rahn points out that attendance by persons assigned by the court is mandatory. Bench warrants will be issued for the arrest of those so assigned who fail to attend both classes. Bench warrants were issued for the arrest of four persons who failed to attend classes previously held on April 6 and 8, says Judge Rahn.

County Reports First Polio Case

Contra Costa County has its first 1959 case of poliomyelitis. A severely ill young adult woman has been hospitalized and placed in a respirator, says Dr. H. L. Blum, county health officer. As is true of 200,000 other county residents, the patient received no Salk vaccine. In 1958, 17 of the 22 cases of polio in the county received no vaccine. The vaccine now available is proven to be safe and 80 to 90 per cent effective in preventing paralytic polio. All county residents who have not yet had polio shots are strongly urged to start them at once, says Dr. Blum. There is still time to receive at least two injections before the polio season is here.

Art Center Plans Show

The exhibition and social committees of the Valley Art Center announced plans this week for the presentation of a two-man show featuring paintings of Alexander Nepote of San Mateo and Peter Blos of Berkeley at Lafayette's Orchard Nursery the weekend of May 15-16. A preview party will be held the evening of May 15, according to Mrs. Howard Converse, exhibition chairman. Plans for the evening's social are under the direction of Mrs. Howard Holmes, social committee chairman.

Criminal Actions Filed

Criminal actions were filed today in Martinez involving three recipients of public assistance. The defendants are charged with acting fraudulently in obtaining financial help.

The total amount of public funds involved is \$1136.

The suits are the result of joint action by William G. Golden, director of the Department of Social Service and John A. Nejedly, district attorney for the county. Samuel H. Mesnick, deputy district attorney, now assigned to the Social Service Department, filed the actions and will handle the prosecution.

"The county's interest is not in the prosecutions, as such," Golden explained, "but in protecting the taxpayer and the genuinely needy aid recipients. Fraudulent use of county welfare funds will be vigorously investigated and prosecuted through the cooperative efforts of the district attorney and this office."

ARRESTS

The California Highway Patrol made 52,333 arrests for excessive speed during the first two months of 1959.

County Owners May Attend Home School

An opportunity for residents of Contra Costa County to learn about their homes is to be provided by the Diablo Valley College in cooperation with the General Contractors Association of Contra Costa County, the Contra Costa Real Estate Board and the National Association of Home Builders, it has been announced by George Concannon, Walnut Creek, president of the Contractors Association. A School for Home Buyers to be held May 5, 14, and 21, covering financing, decorating, construction, maintenance, site selection and landscaping, will be presented," Concannon said. Persons interested in the course should contact Hal Cheney, coordinator of business education at Diablo Valley College. There is no charge for the course, Concannon said.

Sun Society Mu-Mus and Sarongs to Be Worn at Cocktail Benefit

The charm of Hawaiian decorations will be seen in the lovely gardens and pool area of the Orinda home of the Frank Walkers soon.

Tanager unit of the Mt. Diablo Therapy Center will hold its annual cocktail party at the Walkers charming residence Saturday, May 16.

On hand to greet guests will be Tanager members dressed

in Hawaiian traditional mu-mus and sarongs.

The lilting strains of Hawaiian music will help create the atmosphere of the tropic islands.

General chairman of the affair is Mrs. Walker.

Her committee consists of Mesdames Ernest Starkman, Cecil Cantrill and Harold Caldwell.

Marilee Louise Harrer To Wed Robert G. Porter

Announced recently at a family dinner party was the engagement of Marilee Louise Harrer of Orinda and Robert Gary Porter of Piedmont.

An arrangement of pink and white carnation hearts, which encircled the couple's names, disclosed the news.

A student at the College of the Holy Names, where she passed candy to her classmates to tell the betrothal news, the bride-elect is a daughter of Mr. and Mrs. Theodore M. Harrer of Seven Oaks Circle.

She has two sisters who attend the Anna Head School in

Berkeley, Michele and Susanne Harrer.

Marilee attended Acalanes High School, where she was active in the Children's Home Society group. At college she is a member of St. Luke's Art Guild.

Her fiancé, son of Mr. and Mrs. S. E. Porter of Piedmont, attended Piedmont High School, San Francisco City College. He is a brother of Mrs. William Thaler and Mrs. Ralph Tomasco of Lafayette.

No date has been set for the wedding as yet.

Howards to Open Home For Event

More than 40 models will show fashions at the 14th annual Festival of Flowers and Fashions Tuesday.

And approximately 1500 East Bay women will attend the event held at the Walnut Creek gardens of three Howard families whose homes front four different outdoor areas.

Walnut Branch of Children's Hospital of the East Bay is sponsor of the important social event.

Fashions will come from Walnut Creek area shops, according to Mrs. Monroe F. Smith, general chairman.

This year Mr. Charles P. Howard, Sr., Mr. and Mrs. Harmon K. Howard, and Mr. and Mrs. Peter Howard, are again lending their lovely grounds for the event which benefits the part-pay program at the hospital.

Mrs. Smith's committee includes Mrs. Edmund Boero, Mrs. King Cronso, Mrs. A. Keyer George, Mrs. Robert Haumeder and Mrs. Robert R. Hopper.

Others are Mrs. William M. Imbrie, Mrs. J. Allen Madison, Mrs. James C. McGeehon, Jr., Mrs. William E. Nero, Mrs. Thomas W. Taylor, and Mrs. D. Charles Williams.

Commentators in the different areas will be Mrs. Howard, Mrs. Imbrie, Mrs. Robert Wentz and Mrs. Donald E. Kientz.

The model roster includes Mesdames William F. Anderson, Hadley Bacon, Robert Baker, Robert Chance and Bonnie Coggin.

Others are Mmes. Jack Dana, David Pink and Gordon French.

Cocktail Party Set for Sunday By the Swallows

The Lafayette Unit of the Mt. Diablo Therapy Center, The Swallows, will present a cocktail-dance Sunday at El Nido Rancho. Dancing will be from 3 p.m. to 6 p.m.

Mrs. James B. Simonds, club president, will be on hand to greet guests and members.

Mrs. Peter Grayum is in charge of the affair and will be assisted by Mrs. Richard Rock-

well and Mrs. Robert Heaton.

The party will be held in the main dining room, with music by Maurice Anger and his orchestra.

League Ends Year With Report Event

The Oakland Junior League which is more than middle-sized with 262 memberships of active, provisional and non-resident members, and less than middle-aged being 24 years old wound up its 1958-1959 activities with the Annual Report luncheon at the Claremont Hotel, April 15.

Following the president's report on the year's accomplishments, the gavel was turned over to the new president Mary Alice Townsend who with her family will move from Oakland to her new Orinda home when summer vacation starts.

Seated at the head table were Alice Von der Lieth of Lafayette whose new duties are those of recording secretary, Patty Channell who will serve as second vice president and Doshie Sleeper of Walnut Creek, new member of the board of directors. Doshie wore a spring frock of red and white polka dots.

It seemed appropriate, the luncheon being held April 15, (THAT day!) that there was a profusion of frocks and suits "in the red." Sue Beckett, for one, chose red as did Nancy Longacre whose linen dress was red and white.

Lunching together were Liddy Beardsley, Carol Platt (her suit of Italian silk), Cynthia Stampely under a Mr. John hat festooned with pink, beige and chartreuse roses, and Sis Larkin whose hat was also a Mr. John to match a Dior dress of navy shantung.

Glimpsed in the gathering were Janet Angell in embroidered beige linen, Sally Petersen of Danville, Joann Brunson chatting with Fran Leavitt.

From the president's report, it is obvious that the accomplishments of the group are many, mixing beauty with duty. The League has served 25 agencies and is currently working in almost equal amounts in the Arts, Education and Health, Welfare and Recreation fields. Nearly 100 of the members live in Contra Costa County.

Husbands Are Introduced at Swallows Meet

The Swallows, unit of the Mt. Diablo Therapy Center, recently held their first social of the year.

Theme was to introduce respective husbands to each other.

For this purpose a progressive dinner was chosen, being held in three different members' homes. The social hour was held at the Richard Emory home on Solana Court, the dinner at the Ted Barcelon's on Redwood Lane, and dancing at the M. E. Barkley's on Camino Colorado.

Name tags were made and presented by President Mrs. James B. Simonds to each member and her husband on arrival.

The buffet table was set up and presided over by Mrs. Ted Barcelon and Mrs. Jack Frank.

Each Swallow brought her favorite casserole, salad or dessert along with copies of the recipes which were available for the other members.

The evening ended with group singing around the player piano at the Barkley's.

Women's Club Plans Election Meet

An important meeting of Lafayette Women's Club is scheduled for Tuesday when the nominating committee, chaired by Mrs. Richard M. Alpen, will make their report, and an election of officers for the coming year will follow.

At this meeting also the chairman during the year will report on their activities. Mrs. Ted J. Clark, president, will conduct the meeting.

For the program, Mrs. Walter C. Meyer announces that Mrs. Barbara Gillard will discuss the three cook books she has written and demonstrate the preparation of some of her recipes, after which members will be invited to sample the results of her cookery.

Hospitality Chairman Mrs. W. E. Danforth is in charge of refreshments.

Her committee includes Mrs. J. E. Barker, Mrs. James B. Harbuck, Mrs. Mark Schroeder and Mrs. B. D. Blackwood.

Tribute Paid To Guide Dog Workers

Campaign workers in the county drive for funds for Guide Dogs for the Blind, Inc., were honored at a Report Desert-luncheon at the Colorado Court home of Chairman Dorothy P. Ballachey in Lafayette April 16.

Localities taking a breather from campaign activities assembled on the patio of the Balgusts, including "Ida," the guide dog belonging to Maxine Peck of San Francisco, relaxed in the sun under umbrellas mixing business with pleasure.

The hostess chose for her "thank-you" party a blue and white draped sheath.

Tabled together were Jo (Mrs. Richard) Parker, the Walnut Creek chairman, Isabelle (Mrs. Walter) Young who anticipates an October family edition, and Marilyn (Mrs. Les, Sr.) Hink who shares co-chairman duties with Mrs. Ballachey. The latter's dress was a splash of vivid yellow and green floral print worn with matching green linen pumps.

From Lafayette were Stevie (Mrs. Bruce) McCreery in a striped beige bandbox shirt-waist, Doris (Mrs. S. P.) Westington, committee member whose cool ensemble was as refreshing as strawberry sherbet, a pink shirtmaker with pink pumps, and Janice (Mrs. J. E.) Dunn who rated comps on the mocha angel food she had brought to the party.

Another guest, Donna (Mrs. George) Planz, executive director of the Volunteer Bureau, was busy inspecting the varicolored iris garden and the banks of native ceanothus.

Guests from across the bay included Mrs. Nina Elosser, S.F. volunteer drive for Guide Dogs and the Public Relations director of the Sam Rafael Training School, Mrs. Dora Perry.

Dr. Zimmerman Tells Parents About Children

Dr. Kent Zimmerman spoke to Orinda parents last Wednesday on the subject, "Growth Problems of Parents Who Have a School Age Child." Dr. Zimmerman pointed out that "jump-rope rhymes are a very significant expression between the child and his surroundings. Many of them express the child's interpretation of situations."

Some pertinent points brought out by Dr. Zimmerman during the question period which followed including "doing chores" for the sake of "doing chores" is wrong.

"If it is a necessary task and contributes to the family welfare a child can take pride in his part of it, but if it's a task invented to make him work he rightfully resents it," he said.

At the age between six and ten children feel a need to assert some independence and may become evasive

Delta Alumnae Tell Concord Meeting Place

The Kappa Delta Alumnae association of Contra Costa County will meet Tuesday at the home of Mrs. James Milliff, 1227 Chessire Court, Concord.

Mrs. Jay Prouty will be co-hostess, and Dan Groth of Groth's Nursery and Garden Supply, Concord, will talk on the problems of landscaping a new garden to get quick results while permanent plants are small.

Groth also will answer questions about individual problems in landscaping and gardening.

Installation of new officers also will be held. Mrs. Jay Prouty, Lafayette, will be the new chairman

Are You A Lazy Gardener? Try Planting Marguerites

They look like daisies. They have the daisy's shy beauty and persistent blooming habits. The only difference, the California Association of Nurserymen points out, is that—botanically—the Marguerite is a member of the chrysanthemum family and

the Aster Frikarti is a perennial hardy aster. MARGUERITES are particularly popular with new home owners, so-called lazy gardeners and, in fact, all who are seeking a fast growing shrub with loads and loads of long lasting blossoms at

low cost. All spring and summer and, in many areas, right through the winter the golden or white flowered Marguerites can be seen spilling gracefully over walls, blooming madly in the perennial garden or providing the one

bright spark of color in a hand-some pot setting. And now that pink Marguerites have been added . . . there is scarcely more to ask for. Marguerites grow into large shrubby bushes with green lacy foliage and an abundance of flow-

ers at the end of long stems. One of the common mistakes is over-coddling them.

THEY LIKE sun, but too much water or fertilizer tends to make them leggy with fewer blooms. It is to keep the old flowers picked so that new ones will continue.

Similar to the Marguerite, but with delicate blue daisy-like flowers, is the Aster Frikarti. It too likes the sun and needs very little care.

BLOOMING late, it provides a bright spot of color in the garden after summer annuals have faded.

Right now both of these charming daisy-like perennials are available at C.A.N. nurseries.

Keep Picking Rose Blooms As They Wilt

Here are garden hints for this week:

1. When transplanting annuals from nursery flats, let them get a good start; then pinch out the tops to encourage side branching and added bloom.

2. The secret to a long blooming season with roses—as with most any plant—is to keep picking blooms that are spent. Do this as soon as they begin to wilt and are no longer an asset.

3. Keep after slugs and snails with bait. Go after other pests with spray. Your nurserymen can recommend one for any job.

4. When starting a hanging basket of Fuchsias, use two or three small plants to the basket for a really spectacular show.

5. Feed established lawns lightly if it's been over a month since you fed them last. Water the food in thoroughly.

Kids Can Win Their Pets A Place in Polack Circus

Hey, kids! Here's a contest you don't want to miss if you have a dog. Especially a dog that can do simple tricks.

The branches of Children's Hospital of the East Bay have announced a contest in which three top dog winners will perform in the rings at the Polack Bros. Circus which is coming to the Oakland Auditorium Arena May 20 through May 24.

The branches are sponsoring the circus for the second year to

aid the part-pay program which provides thousands of east bay children with top medical care.

All you need do to enter the contest is write a letter of 100 words or less on "My Dog Wants To Be In the Circus Because . . ."

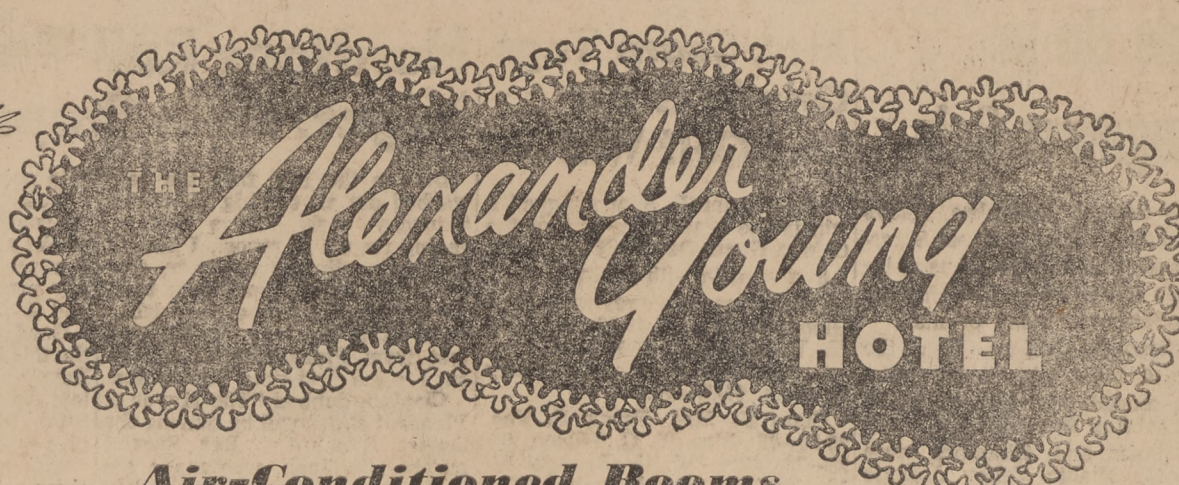

Any child under 12 years of age may enter. Letters must be postmarked by midnight of May 5. Lafayette children should send their letters to Mrs. Donald Laston, 645 Evelyn Court, Lafayette.

Orinda Sun, 814 - Walnut, Orinda. Walnut Creek children to Mrs. Robert Gillman, 145 Arlene Drive, Walnut Creek.

The winners from all areas in the east bay, including Orinda, Lafayette and Walnut Creek, then will enter a contest to be held in the Area at Montclair Park, Montclair, at 11 a.m. on Saturday, May 16.

In the final contest, children will be asked to direct their dogs in tricks. The contestant may choose tricks for his own dog to perform.

A panel of judges will pick three winners: first, second and third. These children will be the ones to perform in the circus rings on Wednesday night, May 20.

Thousands Aim for Trout Streams

Early Rush of Trout Seen By Area Fishing Clans

Thousands of Contra Costa fishermen are stocking up with tempting new lures or were putting their paraphernalia in shape for tomorrow's opening of trout season.

May 16 is the opening date for those who prefer to fish in the counties of Plumas, Sierra, Nevada, Placer, Yuba, El Dorado, Alpine and that part of Butte County east of the Feather River and its North Fork.

STILL A THIRD group has a month to scout out the best fishing places before the May 30 opener in most of Del Norte and Humboldt Counties and in those parts of Trinity, Mendocino, Lake and Glenn Counties drained by the Mad and Eel Rivers.

An exception for anglers in the northwest corner of the state to remember is that Big Stone, Freshwater and Clam Beach Lagoons and Lakes Earl and Palawa, all in Del Norte or Humboldt Counties, this year have been added to the list of all-year waters and are already open.

Lake Pillsbury in Lake County opens tomorrow.

The Department of Fish and Game reminded anglers that they'll need two stamps in addition to their license to fish for trout.

TO AVOID possible confusion over trout seasons, boundaries and bag limits in Butte County, where the Feather River country is a popular attraction for anglers—but also forms the dividing line between early and late season areas—here are points to remember:

1. In Butte County, the area west of the Feather River and North Fork Feather River opens to trout fishing tomorrow. The

limit is 15 fish or 10 pounds and one fish. Major trout streams in this early opening part of Butte are Chico Creek and its tributaries, Butte Creek and its tributaries, and West Fork Feather River and its tributaries.

2. In Butte County, the area east of the Feather River and North Fork Feather River to the Plumas County line opens May 16. The same 15-fish, or 10 pounds and one fish, limit applies.

3. Boundary waters between two season areas in all cases go with the earlier season; therefore, the Feather River itself, and its North Fork, open tomorrow.

WHENEVER a stream separates areas having different bag limits, the largest limit applies to the boundary water.

The only counties having the 15-fish daily bag and possession limit this year are Siskiyou, Trinity, Shasta, Tehama, Lassen, Modoc, Plumas, Sierra, Butte and Nevada.

All others have the new 10-fish limit during the summer season.

Fitzpatrick Still Leading Keglers

League - leading Fitzpatrick Chevrolet continued its winning ways by taking three points from Ralph Drugs. Sadie Heath was high for the winners with a 477 and Eleanor Timbrook rolled a 456 for the losers.

Mac's Shell Station copped four points from Johnson Ant Control. Donna Cooper uncorked a 203 game and a 570 series to lead her team in the sweep while Gwen Carvalho fired a 493 for the losers.

Lucy Dyas fired a 483 series to lead Pacheco Inn in the other clean four-point sweep in spite of Mary Major's 495 series for the losing Thomas Accounting team. Splitting even were Modern Eye whose Helen Smith rolled a 482 series and Monument Bowl whose Lois Bowles was high with a 487.

Unleashing a 203 game and a 556 series, Lil Martinez led Della Pipa to a three-point win over Doug Dicker. Trixie Dearing was high for the losers with a 517.

In the other remaining match, Anne Freitas fired a 225 game and 551 series to lead Diablo Bowling Supply to a three-point win over the Paddock Coffee Shop. Nora Burkheim's 463 was high for the losers.

TROUT FISHING gets underway first thing in the morning. Gordon McNulty of Sports and Games makes a few last minute adjustments before heading for the stream for "that big one that got away last year."

A Few Hints on Catching Trout and Staying Dry!!

AN EDITORIAL

It's about trout time again and with trout time can come trouble if you don't look well to your hooks, lines, and sinkers.

These few little hints might help you stay healthy and happy while doing your spring and summer fishing.

If you're going to do your fishing from a small boat, be sure to pick the right partner. Pick one who's cool, considerate, and courteous, who knows how to handle himself and his equipment when out in a boat.

WITH THE right partner in the boat, run a little test: reach back all the way with that rod to see if you have clearance or if you hit your partner. If rod and partner meet, plan to do all your casting at right angles to the length of the boat.

When you begin working with your lures, take out of the tackle box only the lure you want and put it on your line. To leave lures lying around in a small boat is to invite some sore sitting.

If your lure should get snagged in an overhanging branch, don't try to pull the whole tree into the water. Things can break loose, whip back, and really get you! Shake your line gently or go ashore and remove that lure by hand.

WHEN PLAYING a big fish and your rod has a real bow in it, keep your rod angled away from you and your partner. The fish might decide to let go the lure and let you have it right where it does the most damage.

When you get a fish on a plug, use a net or a gaff to get your fish into the boat or play your fish until it is belly up and then lift it by hand. If the fish is a whopper, better knock it out first with a sharp blow from the proverbial blunt instrument.

There's the matter of teeth. Fish do have them, and when they have them they can be mighty sharp. So don't use your fingers to remove the hook from a fish's mouth, use pliers.

WITH THESE LITTLE hints you can keep your hide healthy this spring and summer. Good fishing!

We Like Right Names, Says Pacific Telephone

Someone move in with you over the past year?

Have a teen-age daughter who wants her name in print?

Want to spell out your first name instead of using an initial?

Local Pacific Telephone Manager H. C. Greenhalgh is asking these questions of phone subscribers here. He doesn't mean to be nosey, but these and many other questions arise when it comes time to print the new telephone directory for 1959.

According to Greenhalgh, Friday, May 22, is the last day that changes or additions should be made to the alphabetical section of the 1959 Contra Costa County phone book.

Those wanting a separate listing for their children or for others living in their homes or

who want to change the way their names appear, should contact their telephone business office no later than this date, says Greenhalgh.

The changes should be made as early as possible so they can be checked for accuracy and all clerical work done before the printing date.

The Contra Costa County book is scheduled for delivery in July.

Alhambra Relay

Ends Up in Quagmire: Rain

The annual Alhambra relays were held at Martinez last Saturday and wound up in a quagmire as rain fell on and off forcing the cancellation of many events.

Richmond's Oilers won the Class A meet with three firsts, three seconds and a fourth place for a total of 29 points.

Acalanes and Alhambra were the only Diablo Valley Athletic league teams to get in on the scoring column.

The Dons took second in the discuss when their quartet consisting of Dewaine Stults (140-10) John Max (132-1) Thornton Smith (120-1) and Dave Dornis (111-6) wound up with a total of 504-6.

Miramonte copped a third in the 480 yard lows and a fourth in the two mile relay to wind up 11th with five markers.

Meridian Scouts Call Meet Date At Acalanes Hi

Recently recruited commissioners of the Meridian District Commissioners' staff, Boy Scouts of America, will receive a one-evening orientation training program Thursday at 8 p.m. at Acalanes High School.

Purpose of the session will be to take a look at the way the commissioner serves Cub Scout packs, Boy Scout troops and Explorer groups.

District Commissioner Dave Lercari of Lafayette will present the subject of "assisting units to develop and carry out good programs."

Other staff members are Les Lloyd and Jack Steller of Lafayette, and Al Johannek of Walnut Creek.

Any man who has had previous scouting experience and who would like to consider the job of neighborhood commissioner for scouting is urged to attend the survey course.

Mrs. Sharp Tags Orinda Guest Day Golf Win

Mrs. James L. Sharp tagged a win in the Class A section of the Orinda Guest Day Golf Tourney.

She went in with a 86-17-69. Other Class A scores were Mrs. Glenn H. Parker, 89-16-73; Mrs. H. W. Usserow, 89-16-73; Mrs. Peter Patch, 82-7-75; Mrs. Perry Thomas, 91-17-76.

Class B: Mrs. Frank F. Fee, 95-20-75; Mrs. T. C. Wilson, 95-19-76; Mrs. W. H. Banker, 95-18-77; Mrs. Frank Smith, 97-20-77; Mrs. Tom C. Carlson, 98-21-77.

Class C: Mrs. Mark Smith, 98-23-75; Mrs. Thomas Nickels, 101-23-78; Mrs. David Watson, 101-22-79; Mrs. N. P. Goelzer, 103-22-81; Mrs. Conrad O. Shaff, 103-22-81.

Class D: Mrs. T. R. Haws, 101-24-77; Mrs. F. J. Parland, 103-24-79; Mrs. R. D. Craffis, 104-25-79; Mrs. R. T. Hughes, 105-26-79; Mrs. C. P. Jostes, 106-25-81; Mrs. Thomas Derry, 106-25-81; Mrs. J. B. Downs, 107-26-81.

Class E: Mrs. F. C. Borgnino, 103-30-73; Mrs. F. R. La Berge, 101-27-74; Mrs. J. P. Guerin, 105-28-77; Mrs. G. C. Johnson, 107-27-80; Mrs. L. W. Hagstrom, 108-28-80; Mrs. A. P. O'Kane, 111-31-80.

Class F: Mrs. Weldon Emigh, 112-33-79; Mrs. E. Tanning, 114-32-82; Mrs. Harry Martin, 114-32-82; Mrs. W. A. Shaw, 119-35-84.

Shriner Event At Castlewood

The sixth annual breakfast of the Contra Costa County Shrine Club, honoring Aahmes Potentate Roy Day, the Divan and their Ladies, will be held Sunday at the Castlewood Country Club Hacienda in Pleasanton.

Fiesta time will be 10 a.m., with breakfast time set for 11:15 a.m. Music will be furnished by H. Gallagher and his Californians.

All tables are reserved, says Frank Y. Kupper, general chairman. All Shriners are invited to attend.

Hardtops Roll Tomorrow Night; Rain Stops Show

Due to the fact that the rain washed out all our big plans last Saturday night, there are no racing results to report. I have it on good authority however, that we'll be seeing them back tearing up the track tomorrow night.

Jack Clayton, that popular lead-foot from Pleasant Hill, will be out for the first time this season.

Clayton, dubbed "The Mayor of Pleasant Hill," will be driving the Sunset Beauty Bar Special number 24. Jack, who made the best showing from this area last season, is hoping for an even higher notch on the champion-

ship point list this year. Wally Baker, the Sacramento jet who took that terrific flip two weeks ago, will be back in action. I watched the car race Wednesday night on the Belmont track, and it looked good.

Good enough in fact to wrest the third heat away from the "Big Boys" at that track. Baker's car lost second gear during the trophy dash, but you can bet the blue buggy will be in its usual top form for tomorrow night's big show.

Time trials will open the affair at 7, with the first race at 8:15.

Fourth Junior Horse Show Set for Moraga on May 17

An annual event always looked forward to will take place Sunday, May 17.

It is the fourth Moraga Junior Horse Show, sponsored by the Moraga Horseman's Association.

THE SHOW PLACE of equestrian skill will be at the new Moraga Horseman's area in Bollinger Canyon, Moraga.

Starting at 8 a.m., Juniors under 18 will compete in the 16-events with three opens.

First place trophies and ribbons to fifth place will be awarded in each event.

YOUNG PEOPLE wishing to compete may write to William Morrison, 3620 Madrone Drive, Lafayette, telephone ATlantic 3-3197.

Entries close at midnight, Saturday, May 9.

Directional signs will be posted at the Moraga Boulevard intersection at Rheem Shopping Center and at St. Mary's College.

Food will be sold at the arena throughout the day.

Kermit Lincoln Is Appointed

When the first annual Pacific Coast Builders Conference meets in San Francisco this summer, the General Contractors Association of Contra Costa County will be one of the 10 affiliates of the Home Builders Council of California sponsoring the event.

NINETY-THREE MILES IS A LONG DRINK OF WATER!

Next month, this giant new 93-mile aqueduct leaves the drawing board to start getting built. By 1962, it'll be bringing you an extra 90,000,000 gallons of pure mountain water every day!

Twenty years ago, on that much water, you (and the rest of us in the East Bay) could have washed our cars, bathed our babies, and run our factories, with plenty left over to quench our thirst. But since then, we've been "discovered." The result? Thousands of new families and factories. And the need for another aqueduct.

Well, running a giant pipe from the Sierras to the Bay is no cinch, but we've done it twice before. Tunnelled through mountains, bought tons of steel, kept close tabs on money. (You've set aside \$68,233,000 for this job.) And it's worth it, knowing you'll have water—plenty of water—for years to come.

Booklet, anyone? All about water. Write

Gay Nineties Fun Fair Plans Go Into High Gear

Gay Nineties Fun Fair preparations are in full swing at Glorietta school.

Skipper Sedley, Popeye's master of ceremonies, will be at the fair during the afternoon with his puppets to entertain the children. Special booths are planned by each class to be staffed by older children and parents.

A MAKE-UP class was held last week to train mothers in the art of theatrical make-up so that children may become for the afternoon of May 16 their favorite character. The beautiful or horrendous.

A second class is scheduled next week to complete the training.

The kindergarten mothers will staff a booth filled with white elephants from homes of children throughout the school.

Pocketbooks, comics, children's books, small pieces of jewelry, little toys no longer played with but still good, are particularly wanted.

Vases, dishes, tools, etc. are also desired to attract parents to the booth too.

Parents may take their donations to the office at Glorietta where they will be picked up by the committee and sorted and priced for the big sale.

New Positions Available

Contra Costa County Civil Service this week announced applications are being accepted for:

1. JUNIOR STAFF ANALYST, \$395-481. An opportunity for young persons to enter a challenging career in the field of public administration.
2. APPRAISER I, \$377-453. College graduates interested in careers in property appraising should find this position attractive.

Junior staff analysts are trained for administrative and personnel functions within the county service.

The job required a college degree in business or public administration.

Appraisers are trained for property appraising from an accredited college or university.

Nine Little Brownies Give Profits to Cancer Crusade

This is the story of nine little Brownies and how they grew. As junior-grade Girl Scouts, the nine-year-old members of Orinda Brownie Troop No. 112 sold Girl Scout calendars and cookies.

MANY CALENDARS and literally thousands of cookies. Then, according to their leader, Mrs. Paul Catli Jr.:

"These little ladies voted to give to the American Cancer Society 1959 Crusade their treasury funds from hard-earned cookie and calendar sales. The troop is allowed a five cent commission on sale of each item," Mrs. Catli wrote to Guy Spencer, Contra Costa County Crusade chairman.

Mrs. Catli's Brownies enclosed \$20, which is a lot of cookies and calendars at five cents per item. The American Cancer Society is grateful.

The Brownies are Barbara Braly, Marsha Brooks, Carol Carroll, Lizbeth Catli, Kathy Creag, Denise Davidson, Cidney Easterbrook, Kathy Jackson and Juliette Ohleyer.

Boy Scout Troop 245 Will Hold Old Newspaper Drive

There's nothing dearer than yesterday's newspaper, the old saying goes.

But old newspapers can be very valuable to boy scouts of Troop 245, Orinda.

THE SCOUTS are conducting an "old newspaper only" drive Saturday, May 16 for benefit of the troop.

Residents are asked to tie bundles of newspapers and leave them at Del Norte schools or at Cliff and Al's Shell Service Station, 9 Orinda Way.

If Orindans cannot deliver the bundles a pick-up will be made, according to Scoutmaster Albert P. Johnson.

PERSONS MAY phone John Bell, CL 4-2540, I. L. MacDonald, CL 4-4668 or Jim Gonot, CL 4-3875 for a pickup.

This week the four packs in Troop 245—cobra, eagle, panther and mohawk—are distributing leaflets to residents alerting them to the forthcoming drive.

"We hope to have the bulk of newspapers delivered to the depot areas," Gonot said.

"Scouts will be at the schools to receive the bundles," he added.

"ALL contributions of old newspapers will be greatly appreciated by the boys," Gonot said.

Stuart Davis Named to U.S. Chamber Board

Stuart Davis, 11 El Sueno, has been elected to the board of directors of the United States Chamber of Commerce.

Davis is president of the First Savings and Loan Association with main offices at 1700 Broadway, Oakland.

THIS IS the first time a Northern California man has been elected to the national board in many years.

Davis will be one of the two directors representing the chamber's construction and development department.

The Orindan is a member of the board of directors of the Oakland Chamber of Commerce which nominated him for the post.

Davis' candidacy was endorsed by the American Title Association, the National Association of Real Estate Boards, the National Association of Home Builders and the Mortgage Bankers Association of America.

Also endorsing Davis were the chambers of commerce of Berkeley, Alameda, Albany, San Leandro, Hayward and San Francisco. The United States Savings and

Scientists Give Papers at Meet

Local scientists have returned from the week-long meeting of the American Chemical Society in Boston.

Dr. Bruce W. Hotten of California Research Corporation, the research subsidiary of Standard Oil of California, presented a paper on the "Effect of Oil Viscosity on Structure and Rheological Properties of Gelled Oils."

Dr. Hotten resides at 20 Claremont Drive.

Another paper, "Reversible Viscosity Losses in Polyisobutene Solutions," was presented at the meeting by Dr. Roger S. Porter of 77 Claremont Avenue.

Another scientist attending the meeting was R. V. Luthy of Lafayette.

LEGAL NOTICE

BEFORE THE GOVERNING BOARD OF MORAGA SCHOOL DISTRICT OF CONTRA COSTA COUNTY, STATE OF CALIFORNIA.

NOTICE OF ADOPTION OF RESOLUTION TO LEASE REAL PROPERTY.

NOTICE IS HEREBY GIVEN that a public meeting of the Governing Board of Moraga School District of Contra Costa County will be held at the office of said Board at Rheem School, Moraga, California, on May 11, 1959, at the hour of 7:00 o'clock p.m. of said day for the purpose of receiving and considering sealed proposals for the leasing of real property described in the resolution hereinafter set forth.

NOTICE IS HEREBY FURTHER GIVEN that at a meeting of said Governing Board held on April 20, 1959, the following resolution was adopted by at least a two-thirds (2/3) vote of all of its members. The resolution above referred to is as follows: WHEREAS, Moraga School District of Contra Costa County is the owner and in possession of the following described real property, and the Governing Board of the District believes it to be for the best interests of said District that said property be offered for lease upon the terms and conditions hereinafter set forth, and said property is not now, and will not, at the time of delivery of possession, be needed for school classroom buildings by said District.

NOW, THEREFORE, BE IT RESOLVED that the Governing Board of Moraga School District does hereby declare its intention to offer for lease that certain real property and structure thereon commonly known and described as Moraga School, School Street, Moraga, Contra Costa County, California, consisting of a parcel of land approximately 250 feet by 202 feet in dimension, or as more particularly described in a preliminary report issued by West Title Guaranty Company, Martinez, California, under the order No. 225867 under date of March 25, 1959. A copy of such title report is available for inspection by any interested person at the office of the School District.

BE IT FURTHER RESOLVED that the property shall be leased upon the following terms and conditions:

The minimum monthly rental for such real property and improvements is fixed at the sum of Fifty Dollars (\$50.00). The successful bidder shall not use the said property for commercial purposes. Bidders, in order to be considered, shall be required to use the property for community recreation, community groups, or community religious bodies. By the terms of the lease which may

BE IT FURTHER RESOLVED that notice of the adoption of this resolution and of the time and place of said meeting be given by publishing the notice not less than once a week for three (3) successive weeks before the meeting in Orinda Sun, a newspaper of general circulation published in Contra Costa County in which said District is located, there being no newspaper of general circulation published within the District; and, by posting copies of the resolution signed by the Governing Board, or by a majority thereof, in three (3) public places in the District, not less than fifteen (15) days before the date of meeting.

Passed and adopted by the Governing Board of Moraga School District of Contra Costa County, at a meeting of said Board held on the 20th day of April, 1959.

It's 'Holi-Daze' At Junior College

Diablo Valley College is holding its second annual Nordic Holi-Daze celebration this week.

The program began Monday and will run through Saturday. Highlight of the celebration is a circus bigtop tent with over 700 square feet of space which houses 16 club booths and a gambling casino.

But the casino isn't for real, reports college officials, pointing out that only Confederate money can be used.

Prizes scheduled to be given away were donated by local merchants. They come to more than \$300 in value, with more than \$100 in door prizes being given away as contest awards.

The celebration also features the \$50,000 hand-engraved and gold-inlaid firearm and art engraving collection of Orville J. Kuhl.

The collection is on public display for the first time.

Merritt Nurses Mix Assignments

Senior students at Merritt Hospital School of Nursing in Oakland in between assignments to surgery or recovery room are rehearsing as fashion models for their benefit fashion show Saturday at the Hotel Claremont.

Dessert at 1:30 p.m. will precede a parade of spring and summer clothes, modeled by 11 student nurses and four guest models from the hospital's auxiliary, Merritt Volunteers.

Auxiliary members taking part in the showing include Mrs. Paul Samson, 3959 Happy Valley Road, Lafayette.

Students exchanging starched uniforms for less work-a-day garb include Verna Abbie, 1200 Kendall Court, Walnut Creek, and Joanne Ross, 187 Orinda Highway, Orinda.

Proceeds of the fashion show are used for class expenses, including the white uniforms which the young women wear for commencement and during their first days as graduate nurses.

Alberni Trio To Appear With City Symphony

The Alberni Trio, composed of pianist Ward Davenney, violinist Giorgio Ciampi and cellist Benar Heifetz, will appear with the San Francisco Symphony Orchestra in an all-Beethoven program under the direction of Maestro Enrique Jorda on May 6 and 7 at 8:30 p.m. and May 8 at 2:15 p.m. in the San Francisco Opera House.

Organized a dozen years ago, the trio derived its name, Alberni, from associated syllables of the first names of the original trio.

The trio is credited with reviving interest in the piano trio as a form of chamber music.

Noted for its performance of the entire cycle of Beethoven Trios, the Albernis will be featured in Beethoven's Triple Concerto in C, Op. 56 for Piano, Violin, Cello and Orchestra.

The remaining programmed works are the Turkish March from "The Ruins of Athens," Symphony No. 6, Op. 68, and Overture, Lenore No. 3.

Tickets for the concerts are available at the Opera-Symphony Box Office, Sherman Clay and Company, Sutter and Kearney Streets, and all Bay Area agencies.

AMORC Lodge

The Sunshine Circle of Oakland Lodge of AMORC Rosicrucians will hold its May meeting in the temple, 263-12th Street, Sunday at 3 p.m.

Miss Phoebe Ormsby, director in charge, will be assisted by Mrs. Genevieve Valle, secretary-treasurer.

Volunteers Review Year, Announce New Directors

An impressive total of 23,933 hours of work by 623 individuals and 157 groups for 48 different community agencies during the past year, under placement of the Volunteer Bureau of Contra Costa County was reviewed by the bureau's new board of directors at its first meeting last Friday.

From Orinda came Mrs. Bruce Howard, who will serve as president for the coming year. Mrs. Howard is an active member of the Junior League of Oakland, having just completed a two-year term as country vice president of the league.

Also from Orinda was Mrs. Roy Stevens, a newcomer from Canada, who will head the finance committee, and Mrs. Harold Havre Jr., who will serve as placement chairman for the Junior League in Contra Costa County.

BOARD MEMBERS from Lafayette included Mrs. William Channell as Junior League liaison, a former vice president of the Volunteer Bureau, and Mrs. Duncan Knudsen, an active member of a Children's Hospital branch, who will head the public relations group and speaker's bureau.

Mrs. James Morris, also of Lafayette, will supervise the Christmas Bureau.

Other active board members from Lafayette were Mrs. Richard Brooding, former Christmas Bureau chairman, who will serve on the education committee; Mrs. Robert Von Der Lieth, active in the Volunteer Bureau since its inception, who will act as delegate to the health section of the Community Welfare Council; and Mrs. Ned Robinson, who will serve as publicity chairman and is active in Girl Scout work.

WALNUT CREEK sent Mrs. John Selley to the board as treasurer.

Mrs. Robert Hammill, also of Walnut Creek, a Junior League member who is a staff member of the bureau, will write the monthly Volunteer Vignettes.

Mrs. William Rhea of Pleasant Hill will serve as secretary to the bureau and is a member of the Walnut Creek Branch of the American Association of Univer-

sity Women.

From Diablo was Mrs. Robert Cuenin, a Junior League member, who will oversee publication of the annual Directory of Organizations.

MRS. T. T. MACKENZIE of Pacheco, experienced in social welfare work, will be the delegate to the Family and Child Welfare

section of the Community Welfare Council, and Mrs. Lawrence Hudson of Alamo will be the delegate to the group work and recreation section of the council.

The Volunteer Bureau is financed by the United Crusade and the Junior League of Oakland and serves the county as a clearing house between individuals desiring to give volunteer service to community agencies and the agencies that could use such interested citizens.
